Buffalo Bill's America Louis S. Warren, 2007-12-18 William F Buffalo Bill Cody was the most famous American of his age He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer But what was his real story And how did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill s Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America s greatest showman and the startling history of the American West that drove him and his performers to the world stage

Buffalo Bill's Wild West Joy S. Kasson, 2024-06-04 Buffalo Bill s Wild West presents a fascinating analysis of the first famous American to erase the boundary between real history and entertainment Canada and Europe Crowds cheered as cowboys and Indians and Annie Oakley galloped past on spirited horses sharpshooters exploded glass balls tossed high in the air and cavalry troops arrived just in time to save a stagecoach from Indian attack Vivid posters on billboards everywhere made William Cody the show s originator and star a world renowned figure Joy S Kasson s important new book traces Cody s rise from scout to international celebrity and shows how his image was shaped Publicity stressed his show s authenticity yet audiences thrilled to its melodrama fact and fiction

converged in a performance that instantly became part of the American tradition But how precisely did that come about How for example did Cody use his audience s memories of the Civil War and the Indian wars He boasted that his show included participants in the recent conflicts it presented theatrically yet he also claimed it evoked memories of America s bygone greatness Kasson s shrewd engaging study richly illustrated in exploring the disappearing boundary between entertainment and public events in American culture shows us just how we came to imagine our memories **Buffalo Bill's Wild West ...**
