for the first time it is impossible not to be thrilled and amazed Journalist John Radanovich has spent years tracking down the musicians who knew More and More family members seeking out rare recordings and little known photographs Radanovich provides the definitive biography of the man and his music whose legacy was forgotten in the larger scheme of political difficulties between the United States and Cuba Even the exact spelling of More s first name was unknown until now The author also examines the milieu of Cuban music in the 1950s when Havana was the playground of Hollywood stars and the Mafia ran the nightclubs and casinos
