Elementary Education Acts Great Britain. Royal Commission on Elementary Education Acts, 1887 *The Comprehensive Commentary on the Holy Bible: Acts-Revelation* William Jenks, 1839 **Building & Redirecting Your Focus** Deede Dumka Deede, 2014-08-19 The book *Building and Redirecting Your Focus* is written to help people structure their lives the right way. It identifies focus as a major key to purpose, discovery, purpose, survival, and accomplishments. The book underscores the importance of having a clear mental sight to make positive decisions for maximum impact. It also identifies the acquisition of quality as transportation into transformation and accomplishment. In addition, it considers handling one's perception and understanding efforts and results as critical components in focus building. Finally, the book examines the relevance of self-coordination to achieve the highest possible impact and fulfillment in life. *A New and Modern Holy Bible with the Intelligent Design of An Active God* George D. Shollenberger, 2012-06 THE GENERAL PURPOSE OF THIS BOOK The general purpose of this book is to build the minds of all Little Gods who were created by God who also created the universe. About 4.4 million years ago Little Gods appeared on planet earth. Today billions of Little Gods exist and have developed their minds after they found that God and the universe have no end. However, the minds of all Little Gods did not develop until counting tokens appeared about 9,000 years ago. Then 5,000 years later the Little Gods added symbols to these tokens. These symbols were used in early texts and later in national languages, religious scriptures, scientific books, newspapers, etc. For the last 4,000 years, many religious leaders were saying that the symbols in scriptures are sacred and are inspired by God. In 2006 I found that God is infinite and unlimited. Six years later I found that symbols are finite and limited. These findings prove that scriptures cannot be sacred. I confirmed these findings with new research on Greek writings and the teachings of Jesus in the New Testament. In time I expect all Little Gods to worship the same God. The purpose of my book is thus to bring all Little Gods together under one God. **Books in Print**, 1994 *NIV, Adventure Bible* Zondervan, 2013-06-25 Take your young explorer on an adventure through God's Word with the 1 Bible for kids.
