## **Build Your Own Log Cabin:**

*Log Cabins* William Anderson, 2016-12-24 A log cabin is a less sophisticated dwelling structure made of logs Log cabins have a long history in both the United States and Europe In the United States log cabins where the first generation homes built by settlers from Europe and other countries who came to the country in search of a new life Today with the availability of tall pines and other tall trunk trees a family can easily erect a log cabin from scratch in a matter of days With the right tools a log cabin can easily be erected in any weather because it does not involve any form of chemical reactions Because of this many people are opting to build log cabins as their leisure homes The modern log cabins look a little bit different from their traditional counterparts as they are built with fiberglass insulation and a host of other furnishings that make them more stylish and comfortable In this book you will find information on Materials and tools you need to build a log cabin Log cabin foundations Building the log cabin walls Building roof and flooring Insulating your log Cabin Weatherproofing your log cabin Maintenance of your log cabin and much more

**Log Cabins** Sean Connel, 2017-02-25 Many souls secretly desire to wake up in a stunning log cabin built inside a deep forest that is standing proudly in the middle of a green meadow or on the slope of a hill There isn't any residence that poses a poetic atmosphere or is filled with holiday spirit as of a log cabin It's a dream of every soul to live in these log cabins which brings you closer to nature There is hardly anyone who doesn't love to experience residing in a green home that blends with nature perfectly and acts like a treat revitalizing tired mind and body Actually you can't find many log cabins as most of these cabins are not built for living permanently After the English immigrants went to America they constructed more conventional houses and transformed the present log cabins to outhouses or sheds for providing animals with shelter Nowadays children love to play building miniature toy log cabins These toys look same as small logs with serrated peg rods Just having a wish to build a log cabin is not enough You need to plan and work on your dream project The only issue is where you can begin You don't need to worry This book can guide you to make your dream into reality that is you can actually build your own log cabin If you put your dedication hard work and proper planning you can build a cozy warm fairytale like wood house in no time All you need to do is to flip the pages of this book and be ready to build your own log cabin The contents of this book include Practical guide on building log cabins Basic ideas on the cost and materials Suggestions on few steps
