Where Two Or Three Are Gathered Daniel L. Prechtel, 2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors

Michael W. Halcomb,Timothy C. McNinch,2012-05-03 We live in an era when the Bible appears to be less and less relevant to mainstream cultures Those who do care about the Scriptures tend to derive their interpretations secondhand from the preacher s pulpit or from generalized study guides written by complete strangers These approaches overlook the communal and conversational nature of the Bible itself If we hope to recover the transformative power of these ancient texts and invite our world to reconsider their significance we will need to engage whole communities together in the bottom up task of interpretation People of the Book was written to offer an organic holistic approach to communal interpretation an approach that can work for your community and appeal to your wider culture Halcomb and McNinch envision the Bible as a conversation we are privileged to enter listening questioning wrestling reasoning and responding together as authentic people of the Book A Book to Change Your Life ; Dmin Sandidge,2009-03 What Others Say about This Book Dr Sandidge has written a very comprehensive book on leadership Every pastor and church leader can find many tidbits of information that will improve their leadership skills This book will provide help in building a ministry team approach There are many

How to Break Growth Barriers Carl F. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They re also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation

Awake and Arise the Dying of the American Church Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey
