MALIDOMA SOME AUTHOR OF WATER AND THE SPIRIT It s one of those rare books that will definitely wake you up I consider it must reading for anyone seriously interested in the path of conscious relationship John Welwood author of Journey of the Heart and Perfect Love Imperfect Relationships This hard hitting and innovative book about partnered relationship immediately challenges the deceptions about love and intimacy rampant in today s patriarchal culture At the same time

Building Love That Lasts reveals a step by step process for discovering and living out alternative possibilities The author claims that even the best of our relationships are still generally basic level what he calls Ordinary Human Relationship He asserts that two more domains remain to be explored namely Extraordinary Human Relationship and Archetypal Love The book describes exactly how to enter these new domains and how to stay there long enough to cultivate genuine intimacy nurturance excitement and satisfaction together The material for this book is startlingly original and fresh directly distilled from over thirty years of trial error and reevaluation within seminars and trainings conducted by the author in the U S and Europe The essential teaching tools are Thought Maps that illustrate and guide the dynamics of evolving relationship coupled with a series of experiments explorations to be undertaken alone or with one s partner Topics include Making the leap from Defensive Learning to Expansive Learning Breaking out of the relationship Box The lie of being unlovable Navigating in the realm of feelings Communication skills for explorers

**Mastering The Interconnected Worlds of Private and Professional Life** Jeremy Roffe-Vidal,2025-04-17 In this insightful book the author delves into the intricate connections between our private and professional lives revealing the surprising ways in which they intersect influence each other or find a deep logic of comparison While the links between these two domains are often apparent such as the skills and habits that transfer from work to home the author goes further by exploring deeper more personal connections including those found in intimate relationships like dating The book challenges the conventional notion of work life balance by illustrating how even when we strive to separate these spheres they remain intrinsically linked The author argues that rather than viewing them as competing forces we should recognize and embrace their interconnected nature It examines the parallels between promoting oneself on a dating site and a recruitment site highlighting how self presentation and marketing skills are critical in both arenas The book also ventures into the comparison of matrimonial agreements with employment contracts questioning the traditional view of marriage as a lifelong commitment versus the more contemporary approach of time limited contracts Through a series of compelling narratives and psychological insights the author guides readers on a journey to master both the personal and professional realms By understanding the dynamics at play readers will learn how to navigate these interconnected worlds more effectively achieving greater fulfillment and success in both areas Through this exploration the book encourages readers to reconsider how distinct or similar our professional and personal lives truly are and whether the skills we develop in one can enhance our success in the other
