Building Attendance In Your Youth Ministry:

Building Attendance Scott C. Noon, 1989 **Determining Needs in Your Youth Ministry** Peter L. Benson, Dorothy Lowe Williams, 1987 *Getting it Right* General Conference of Seventh-Day Adventists, Youth Dept Staff, General Conference of Seventh-Day Adventists. Youth Department, 2005 *Total Faith Initiative Coordinator's Manual* Thomas East, Ann Marie Eckert, 2004 The Total Faith Initiative Coordinator's Manual draws on the experience of many parish communities to give leaders what they need to plan and implement dynamic and effective youth ministry including intentional catechesis The manual includes two chapters describing a vision for youth ministry and adolescent catechesis four chapters providing planning tools for using the many resources within the Total Faith Initiative four more chapters suggesting numerous ways for parishes to connect with youth and their families a final chapter providing practical guidance in finding and supporting youth ministry leaders The accompanying coordinator's CD includes additional tools for using the Total Faith Initiative resources You will find a searchable index of all activities and strategies additional handouts and PowerPoint presentations for training leaders a printable list of short descriptions for every session and more It has never been easier to create dynamic and customized ministries for your parish Organizing Your Youth Ministry Paul Borthwick, 2004-03-01 We need to get organized around here That is the common cry of youth workers who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need for personal growth fit with your youth ministry If you're married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It's the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of Organizing Your Youth Ministry examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as

Borthwick says the ultimate purpose isn't just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1:28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don't know where to begin Organizing Your Youth Ministry can help Give it a try and you'll find out why Paul Borthwick says that organization can be a ministry in itself *Missional Youth Ministry* Brian Kirk, Jacob Thorne, 2011-06-07 The mainline church in the past few decades has witnessed a ghettoization of youth within the church segregating them off to a particular room perhaps in the basement where they engage in ministry in isolation from the rest of the congregation They are assigned a youth minister or youth director often the staff person with the least experience freeing up the real ministers to serve the adults in the church They seldom serve on church boards or governing bodies in anything other than a cursory manner Their leadership in worship is limited to one special Sunday a year their activities seen more as programming than ministry and their place often described as the church of the future rather than the body of Christ in the here and now For decades youth ministry in mainline churches has been program driven assuming that the primary function of youth ministry was to use activities and events to attract young people to church and keep them occupied until they were ready to be adult members in the faith In recent years it has become increasingly obvious that this paradigm has failed to develop youth as life long participants in the Christian church and in the Christian faith The result of such a model of ministry is that youth come to see church only as those segregated activities reserved for teenagers most of which bear little resemblance to the practices of the rest of church life Consequently when youth graduate from high school and youth group they perceive that their most meaningful church experiences are ended Mainline congregations are now seeing the evidence of the real lack of impact of their youth ministries as the population of young adults in churches continues to shrink even those young adults who were once regular participants in church youth group programs In short the program driven model of youth ministry has failed to help youth find their place within the mission of the Church Rethinking Youth Ministry critiques this older paradigm and invites the reader into a dialogue to help rethink many of the deepest assumptions of youth ministry in the mainline church We challenge the consumerist goal of judging a youth ministry's success by the number of its participants We push back against the notion that a youth ministry is the sum total of the events on the calendar We rethink the place of volunteers and parents calling for a greater role of adults as spiritual mentors in the lives of church youth We send out a call for greater understanding of modern methods of teaching and the impact of brain research on the intellectual and spiritual development of youth and we re imagine a new role for mission within youth ministry which calls youth to see mission not as isolated activities but as the very heart of their faith journey Rethinking Youth Ministry serves as a theological companion and practical guide for all those working in the trenches of youth ministry who are seeking to offer students a deeper more consequential and active life long relationship with God through the ministry of Jesus Christ *Purpose Driven Youth Ministry* Doug Fields, 2009-12-15 If you long to reach kids and see their lives changed by God this comprehensive guide

shows you how Purpose Driven Youth Ministry will do for youth ministry what Rick Warren's Gold Medallion award winning The Purpose Driven Church is doing for pastoral ministry It's an indispensable guide to creating and maintaining youth ministry for the long run It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people Forged around the fundamental purposes of evangelism discipleship fellowship ministry and worship Purpose Driven Youth Ministry uses the experiences of Saddleback Church to illustrate what a healthy Youth ministry can be Nine transferable principles help you Connect with the power of God for passionate committed leadership Define the purpose of your ministry and communicate it effectively Identify your potential audience Create programs that reach your audience and fulfill God's purposes Implement processes that move students to maturity Enhance your ministry with clearly defined values Team up with parents to involve the whole family Find volunteers and develop them into participating leaders Persevere through tough times and thrive in an ever changing environment Balancing both theory and practice Purpose Driven Youth Ministry can be applied to any church setting regardless of size denomination facilities resources and existing leadership Purpose Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events Doug Fields says My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church It's not a book on how to grow your youth ministry with six easy steps it's about identifying establishing and building health into your church's youth ministry
