Dorff, Jonathan K. Crane, 2013-01-17 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non-Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct in both children and adults and how to motivate people to do the right thing despite weakness and temptation The Oxford Handbook of Jewish Ethics and

Morality offers a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around the world The first section of the volume describes the history of the Jewish tradition s moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment [Books in Print](#) ,1994 [Forthcoming Books](#) Rose Arny,1991 [Books in Print Supplement](#) ,1988 **The Synagogue in America** Marc Lee Raphael,2011-04-18 Chronicles the history of the Jewish synagogue in America over the course of three centuries discussing its changing role in the American Jewish community [Paperbound Books in Print](#) 1995 Reed Reference Publishing,R5ference Reed,1995-12 *Yom Kippur Mahzor* Torah Aura Productions,1988 *Kosher Feijoada and Other Paradoxes of Jewish Life in São Paulo* Misha Klein,2012-04-15 Through the lens of Jewish experience in Brazil based on the author s ethnographic fieldwork *Kosher Feijoada* takes an oblique look at racial ethnic and national identities and considers the meaning of belonging for a group defined as diasporic intertwining ethnic national and transnational practices in the construction of their identity [Jewish Budapest](#) Kinga Frojimovics,Géza Komoróczy,1999 The book pays special attention on the one hand to the usage of Hebrew and to Jewish scholarship and on the other to the integration of the Jews into society and to the preservation of their Jewish identity **BOOK JACKET** [Jewish Continuity in America](#) Abraham J. Karp,2015-03-15 Presents an overview of a life s work by a preeminent scholar and brings new insight to the challenge of American Jewish continuity Jews have historically lived within a paradox of faith and fear faith that they are an eternal people and fear that their generation may be the last In the United States the Jewish community has faced to a heightened degree the enduring question of identity and assimilation How does the Jewish community in this free open pluralistic society discover or create factors both ideological and existential that make group survival beneficial to the larger society and rewarding to the individual Jew Abraham J Karp s *Jewish Continuity in America* focuses on the three major sources of American Judaism s continuing vitality the synagogue the rabbinate and Jewish religious pluralism Particularly illuminating is Karp s examination of the coexistence and unity in diversity of American religious Jewry s three divisions Orthodox Reform and Conservative and of how this Jewish religious pluralism fits into the larger picture of American religious pluralism Informing the larger enterprise through sharp and full delineation of discrete endeavors the essays collected in *Jewish Continuity in America* some already acknowledged as classics some appearing here for the first time describe creative individual and communal responses to the challenge of Jewish survival As the title suggests this book argues that continuity in a free and open society demands a high order of creativity a creativity that to be viable must be anchored in institutions wholly pledged to continuity
