Building On Community Bilingualism:

Building on Community Bilingualism Rebecca Diane Freeman, 2004 This title provides a solid review of the fields of bilingual education English as a second language ESL world foreign language education and language policy and planning and serves as a guide for teachers administrators and researchers who are working to address complex language and literacy needs *Bilingual Community Education and Multilingualism* Ofelia García, Zeena Zakharia, Bahar Otcu, 2012-09-15 This

book takes up the lens of ethnolinguistic communities as they proudly educate their own children in their ways of speaking and being These bilingual community education programs are unlike bilingual programs in US public schools where speakers of languages other than English are often minoritized In these programs the children's linguistic and cultural diversity are their most valuable assets But these bilingual community education programs are also different from how others have characterized heritage language programs In these bilingual community education programs diasporic ethnolinguistic communities ensure that their children use their ways of speaking and being within a US global context Thus their interest is not in their heritage as the language and the culture was performed in the past in another space but as a dynamic
