Marriage and Family Enrichment Wallace Denton,1986 A comprehensive overview of the history present status and future directions of the marriage and family enrichment movement *7 Pillars to Strengthen Your Marriage* Vito Angelo Patrick,Linda Wright-Patrick,2025-06-12 In this book Vito and Linda will share their personal story of how they navigated through twenty year marriage research practices stories of other couples who also faced and overcame challenges all intertwined with the 7 Pillars to Strengthen Your Marriage with practical actionable steps along with dos and don'ts and ideas that work from couples around the world **The Closet and the Cul-de-Sac** Clayton Howard,2019-04-12 The right to privacy is a pivotal concept in the culture wars that have galvanized American politics for the past several decades It has become a rallying point for political issues ranging from abortion to gay liberation to sex education Yet this notion of privacy originated not only from legal arguments nor solely from political movements on the left or the right but instead from ambivalent moderates who valued both personal freedom and the preservation of social norms In *The Closet and the Cul de Sac* Clayton Howard chronicles the rise of sexual privacy as a fulcrum of American cultural politics Beginning in the 1940s public officials pursued an agenda that both promoted heterosexuality and made sexual privacy one of the state's key promises to its citizens The 1944 G I Bill for example excluded gay veterans and enfranchised married ones in its dispersal of housing benefits At the same time officials required secluded bedrooms in new suburban homes and created educational campaigns designed to teach children respect for parents privacy In the following decades measures such as these helped to concentrate middle class families in the suburbs and gay men and lesbians in cities In the 1960s and 1970s the gay rights movement invoked privacy to attack repressive antigay laws while social conservatives criticized tolerance for LGBTQ people as an assault on their own privacy Many self identified moderates however used identical rhetoric to distance themselves from both the discriminatory language of the religious right and the perceived excesses of the gay freedom struggle Using the Bay Area as a case study Howard places these moderates at the center of postwar American politics and shows how the region's burgeoning suburbs reacted to increasing gay activism in San Francisco *The Closet and the Cul de Sac* offers specific examples of the ways in which government policies shaped many Americans attitudes about sexuality and privacy and the ways in which citizens mobilized to reshape them **No Greater Love** Russ Rice,Brad Silverman,Lisa Guest,2013-02-11 Which road are you on for your marriage yours or God's Inspired by the heartwarming movie *No Greater*

Love executive producer Russ Rice and co writer and director Brad Silverman have created this 90 day devotional for couples to help husbands and wives dig deeper into the mystery of marriage addressing what it means to truly love your spouse in the sacrificial and unconditional way God loves us Each devotion invites couples to keep God at the center of their relationship to improve their communication skills and to strengthen their commitment to each other Topics include commitment trust truth forgiveness reconciliation and more Each devotion offers a real life snapshot from marriage questions for discussion and action points A couple s marriage will not be the same after these ninety days Why Because there is no greater love between two people than a love grounded in and empowered by God s love Foreward by Dennis Rainey This book is an action plan for having the kind of marriage that stands strong when the storms of life come A marriage that provides your family with a stable healthy home And above all else a marriage that honors and glorifies God Dennis Rainey President FamilyLife *No Greater Love* ,
