Buddhist and Christian Gospels Albert Joseph Edmunds,1908 **The Dhamma of Gotama the Buddha and the Gospel of Jesus the Christ** Charles Francis Aiken (priest),1900 **Buddhism in Christendom** Arthur Lillie,2015-06-16 Excerpt from Buddhism in Christendom Or Jesus the Essene It has been wisely said that to understand any solitary religion two at least must be studied This seems essentially important when the religion is Eastern and the student has been educated in the West There is a tendency in the human mind to explain to itself that which is remote by that which is familiar The Western mind is logical matter of fact impatient of symbolism And yet Christianity is an Asiatic religion and all Asiatics tell us that symbolism is the only language by which the facts of the spiritual world can be treated Thus it has been shown by the Orientalist Professor Wilson that the three Avesthas of the Trinity translated hypostases by the Gnostics have come from India Colebrooke has pointed out that the hymns of the Rig Veda though avowedly addressed to many deities are according to the most ancient annotations of the Indian scripture resolvable into a triad and ultimately one God It seems to result from this that the meaning of this triad may be more profitably sought in the ancient Indian books than in vaticinations of the blunt and literal monks that composed the Council of Nic a We interpret the great drama that began our era by our local experience About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
