*Chinese Buddhism* Edkins, 1879      *Chinese Characters* Angilee Shah, Jeffrey N. Wasserstrom, 2012-09-28 An artist paints landscapes of faraway places that she cannot identify in order to find her place in the global economy A migrant worker sorts recyclables and thinks deeply about the soul of his country while a Taoist mystic struggles to keep his traditions alive An entrepreneur capitalizes on a growing car culture by trying to convince people not to buy cars And a 90 year old woman remembers how the oldest neighborhoods of her city used to be These are the exciting and saddening humorous and confusing stories of utterly ordinary people who are living through China's extraordinary transformations The immense

variety in the lives of these Chinese characters dispels any lingering sense that China has a monolithic population or is just a place where dissidents fight Communist Party loyalists and laborers create goods for millionaires Chinese Characters is a collection as Pankaj Mishra writes in his foreword to herald a new golden age of journalism about a ceaselessly fascinating country Contributors include a Pulitzer Prize winning journalist a Macarthur Fellow the China correspondent to a major Indian newspaper and scholars whose depth of understanding is matched only by the humanity with which they treat their subjects Their stories together create a multi faceted portrait of a country in motion and an introduction to some of the best writing on China today With contributions from Alec Ash James Carter Leslie T Chang Xujun Eberlein Harriet Evans Anna Greenspan Peter Hessler Ian Johnson Ananth Krishnan Christina Larson Michelle Dammon Loyalka James Millward Evan Osnos Jeffrey Prescott Megan Shank

The New Buddhism David Brazier,2002-06 This is a manifesto for a more active compassionate and socially engaged Buddhism one grounded in the Buddha s original intention The New Buddhism asserts that Buddha was a radical critic of society and that his vision of a new social order transcended racial and economic divisions Brazier takes a new look at many aspects of Buddhism and reinterprets them in light of the Buddha s social aims Western and Eastern visions of enlightenment are juxtaposed and the author draws a line between extinction Buddhism and liberation Buddhism the former seeks to release the individual from the world while the latter seeks to perfect the world by freeing it from the forces of greed hatred and delusion The New Buddhism states clearly and boldly that Buddhism should be and originally was about engagement with the world This illuminating guide brings Buddhism to the West and into contemporary life in an accessible and thought provoking way It shows that for genuine renewal Buddhism must be about more than contemplation and personal growth but also about the practice of truth and having compassion for all
