

BUDDHISM AFTER PATRIARCHY

A Feminist History, Analysis, and
Reconstruction of Buddhism

by Rita M. Gross

Buddhism After Patriarchy

Mary Farrell Bednarowski

Buddhism After Patriarchy:

Buddhism After Patriarchy Rita M. Gross, 1993-01-01 This book surveys both the part women have played in Buddhism historically and what Buddhism might become in its post patriarchal future The author completes the Buddhist historical record by discussing women usually absent from histories of Buddhism and she provides the first feminist analysis of the major concepts found in Buddhist religion Gross demonstrates that the core teachings of Buddhism promote gender equity rather than male dominance despite the often sexist practices found in Buddhist institutions throughout history *Women Practicing Buddhism* Peter N. Gregory, Susanne Mrozik, 2008 This book grew out of the conference Women Practicing Buddhism American Experiences held at Smith College in Northampton Massachusetts in 2005 The conference brought together students scholars Buddhist teachers practitioners artists activists and healers to explore the diverse experiences of women practising Buddhism in contemporary America The pieces here centre on issues of practice bringing to bear women's particular experiences of Buddhism as it is spreading to North America and taking root in new contexts They celebrate the ways in which women are changing Buddhism and explore the array of issues that women as Buddhists face today Contributors include those recognizable as Buddhist teachers as well as well known and even famous practitioners

Prophetic Wisdom Charles R. Strain, 2024-06-01 Classical Buddhism lacked an understanding of systemic injustice and its contribution to collective suffering Despite the teaching of impermanence classical Buddhist schools viewed social institutions as given and offered no path to social transformation Today Buddhists are shaped by multiple religious and secular traditions including those stemming from the Hebrew prophets The prophetic tradition offers a socially and religiously powerful concept the concept of justice that reconfigures the Buddhist dharma In a time of unparalleled peril Buddhists are challenged as never before to turn wisdom into strategic action to foster systemic social change Compassion is not enough Prophetic Wisdom shows how Engaged Buddhists can expand their understanding of the causes of collective suffering and develop nonviolent means for social transformation through a dialectic of love power and justice It concludes by confronting the poison of racism in the American body politic **Today's Woman in World Religions** Arvind

Sharma, 1994-01-01 This book examines how the women's movement is affecting traditional religions and civilizations throughout the world It reviews cases of global impact in Hinduism Buddhism Taoism Confucianism Judaism Christianity Islam and Australian aboriginal religion This volume completes the trilogy devoted to women in world religions edited by Arvind Sharma The second book in the series is entitled Religion and Women The present work surveys the position of women in the religious traditions covered in the first volume of the trilogy Women in World Religions placing these traditions in contemporary context **Many Peoples, Many Faiths** Robert S. Ellwood, Barbara A. McGraw, 2022-09-30 Many Peoples Many Faiths places the world's religions in historical context illustrating the complex dynamic of each religion over time while also presenting current beliefs practices and group formations This unique textbook includes engaging sections on

women in religion religion and governance and religion in America throughout Thoroughly revised and updated for its eleventh edition Many Peoples Many Faiths covers the following topics Understanding the World s Religious Heritage Indigenous Peoples and Religion The Spiritual Paths of India The Journey of Buddhism Religions of East Asia The Family of the Three Great Monotheistic Religions and Zoroastrianism The Unique Perspective of Judaism The Growth of Christianity Building the House of Islam New Religious Movements Religion and Violence Non violence and Peacemaking This edition reflects new scholarship and general interest and where appropriate addresses rapidly developing and shifting areas taking account of the dynamic changing quality of religion New and expanded material on indigenous peoples and religions discussions of colonization and the new chapter on religion and violence non violence and peacemaking also distinguish this edition Images maps and timelines add to the sense of the richness of the world religions This is an ideal resource for anyone wanting an accessible and yet comprehensive introduction to the world religions

The Process of Buddhist-Christian Dialogue Paul O Ingram, 2011-09-29 While process philosophers and theologians have written numerous essays on Buddhist Christian dialogue few have sought to expand the current Buddhist Christian dialogue into a trilogy by bringing the natural sciences into the discussion as a third partner This was the topic of Paul O Ingram s previous book Buddhist Christian Dialogue in an Age of Science The thesis of the present work is that Buddhist Christian dialogue in all three of its forms conceptual social engagement and interior are interdependent processes of creative transformation Ingram appropriates the categories of Whitehead s process metaphysics as a means of clarifying how dialogue is now mutually and creatively transforming both Buddhism and Christianity Drawing also on the work of theologian John Hicks and philosopher of science Imre Lakatos Ingram develops an understanding of Buddhist Christian dialogue in the context of a religious pluralism that is both open and dynamic and methodologically rigorous Wide ranging and full of insight The Process of Buddhist Christian Dialogue will be invaluable to scholars and students of comparative religion

This-Worldly Nibbāna Hsiao-Lan Hu, 2011-12-01 Offering a feminist analysis of foundational Buddhist texts along with a Buddhist approach to social issues in a globalized world Hsiao Lan Hu revitalizes Buddhist social ethics for contemporary times Hu s feminist exegesis references the Nikāya s from the Discourse Basket of the Pāli Canon These texts among the earliest in the Buddhist canon are considered to contain the sayings of the Buddha and his disciples and are recognized by all Buddhist schools At the heart of the ethics that emerges is the Buddhist notion of interdependent co arising which addresses the sexism classism and frequent overemphasis on individual liberation as opposed to communal well being for which Buddhism has been criticized Hu notes the Buddha s challenge to social hierarchies during his life and compares the notion of non Self to the poststructuralist feminist rejection of the autonomous subject maintaining that neither dissolves moral responsibility or agency Notions of kamma nibbāna and dukkha suffering are discussed within the communal context offered by insights from interdependent co arising and the Noble Eightfold Path This work uniquely bridges the worlds of Buddhism feminism social ethics and activism

and will be of interest to scholars students and readers in all of these areas *The Faces of Buddhism in America* Charles S. Prebish, Kenneth K. Tanaka, 2023-11-15 Buddhism is the fastest growing religion in the United States with adherents estimated in the several millions But what exactly defines a Buddhist This has been a much debated question in recent years particularly in regard to the religion's bifurcation into two camps the so called imported or ethnic Buddhism of Asian immigrants and the convert Buddhism of a mostly middle class liberal intellectual elite In this timely collection Charles S. Prebish and Kenneth K. Tanaka bring together some of the leading voices in Buddhist studies to examine the debates surrounding contemporary Buddhism's many faces The contributors investigate newly Americanized Asian traditions such as Tibetan Zen Nichiren Jodo Shinshu and Theravada Buddhism and the changes they undergo to meet the expectations of a Western culture desperate for spiritual guidance Race feminism homosexuality psychology environmentalism and notions of authority are some of the issues confronting Buddhism for the first time in its three thousand year history and are powerfully addressed here In recent years American Buddhism has been featured as a major story on ABC television news National Public Radio and in other national media A strong new Buddhist journalism is emerging in the United States and American Buddhism has made its way onto the Internet The faces of Buddhism in America are diverse active and growing and this book will be a valuable resource for anyone interested in understanding this vital religious movement Buddhism is the fastest growing religion in the United States with adherents estimated in the several millions But what exactly defines a Buddhist This has been a much debated question in recent years particularly in regard to the religion's bifurcation **Buddhist Nuns in Taiwan and Sri Lanka** Wei-Yi Cheng, 2007-01-24 Taking a comparative approach this fieldwork based study explores the lives and thoughts of Buddhist nuns in present day Taiwan and Sri Lanka The author examines the postcolonial background and its influence on the modern situation as well as surveying the main historical economic and social factors which influence the position of nuns in society Based on original research including interviews with nuns in both countries the book examines their perspectives on controversial issues and in particular those concerning the status of women in Buddhism Concerns discussed include allegedly misogynist teachings relating to women's inferior karma that they cannot become Buddhas and that nuns have to follow additional rules that monks do not Bridging the gap between feminist theory and the reality of women in religion the book makes a distinct contribution to the study of women in Buddhism by focusing on nuns from both of the main wings of Buddhism Theravada and Mahayana as well as furthering feminist studies of Buddhism and religion in general *Buddhism in the Sung* Daniel A. Getz, Peter N. Gregory, 2002-10-31 New paperback edition The Sung Dynasty 960-1279 has long been recognized as a major watershed in Chinese history Although there are recent major monographs on Sung society government literature Confucian thought and popular religion the contribution of Buddhism to Sung social and cultural life has been all but ignored Indeed the study of Buddhism during the Sung has lagged behind that of other periods of Chinese history One reason for the neglect of this important aspect of Sung society is undoubtedly the tenacity of the view

that the Sung marked the beginning of an inexorable decline of Buddhism in China that extended down through the remainder of the imperial era As this book attests however new research suggests that far from signaling a decline the Sung was a period of great efflorescence in Buddhism This volume is the first extended scholarly treatment of Buddhism in the Sung to be published in a Western language It focuses largely on elite figures elite traditions and interactions among Buddhists and literati although some of the book s essays touch on ways in which elite traditions both responded to and helped shape more popular forms of lay practice and piety All of the chapters in one way or another deal with the two most important elite traditions within Sung Buddhism Ch an and T ien t ai Whereas most previous discussions of Buddhism in the Sung have tended to concentrate on Ch an the present volume is notable for giving T ien t ai its due By presenting a broader and more contextualized picture of these two traditions as they developed in the Sung this work amply reveals the vitality of Buddhism in the Sung as well as its embeddedness in the social and intellectual life of the time

The Roots of Patriarchy Ilenia Ruggiu, 2024-10-28 By combining legal and genealogical methodologies this book describes the origin decline resurgence and metamorphosis of patriarchy in the West The book provides the reader with a unified tool for understanding what patriarchy is its dynamics and its main features The reader will find a guide with which to navigate the dozens of definitions and theories of patriarchy and will better understand why despite the proclamations of formal Constitutions of the equality of the sexes the gender gap in the West is still high Approaching patriarchy both as a concept and as a social fact the book shows how patriarchy lay at the Jewish Greek Roman roots of Western civilization how for millennia it was perceived as a benevolent function for social and political life and how feminism reversed this benevolent narrative By reconstructing how patriarchy has been theorized in several disciplines and historical times the book reflects on what has been done and remains to be done to de patriarchalize the West It will be a valuable resource for academics researchers and students in Women s Studies Gender Studies Constitutional Law Cultural Studies Religious Studies and Anthropology

Buddhism beyond Gender Rita M. Gross, 2018-03-27 A bold and provocative work from the late preeminent feminist scholar which challenges men and women alike to free themselves from attachment to gender At the heart of Buddhism is the notion of egolessness forgetting the self as the path to awakening In fact attachment to views of any kind only leads to more suffering for ourselves and others And what has a greater hold on people s imaginations or limits them more asks Rita Gross than ideas about biological sex and what she calls the prison of gender roles Yet if clinging to gender identity does indeed create obstacles for us why does the prison of gender roles remain so inescapable Gross uses the lenses of Buddhist philosophy to deconstruct the powerful concept of gender and its impact on our lives In revealing the inadequacies involved in clinging to gender identity she illuminates the suffering that results from clinging to any kind of identity at all

The Religious Imagination of American Women Mary Farrell Bednarowski, 1999-10-22 Explores five ideas that animate the theological imagination of women in religious communities throughout America ambivalence toward tradition the immanence or indwelling of the divine

the sacredness of the ordinary and the ordinariness of the sacred the vision of the universe as a web of relationships and healing as a central function of religion back cover **Buddhist Nuns and Gendered Practice** Nirmala S.

Salgado,2013-11 Based on extensive research in Sri Lanka and interviews with Theravada and Tibetan nuns from around the world Salgado s groundbreaking study urges a rethinking of female renunciation How are scholarly accounts complicit in reinscribing imperialist stories about the subjectivity of Buddhist women How do key Buddhist concepts such as dukkha samsara and sila ground female renunciant practice Salgado s provocative analysis questions the secular notion of the higher ordination of nuns as a political movement for freedom against patriarchal norms Arguing that the lives of nuns defy translation into a politics of global sisterhood equal before law she calls for more nuanced readings of nuns everyday renunciant practices Radical Mindfulness James K. Rowe,2023-10-26 Radical Mindfulness examines the root causes of

injustice asking why inequalities along the lines of race class gender and species continue to exist Specifically James K Rowe examines fear of death as a root cause of systemic inequalities and proposes a more embodied approach to social change as a solution Collecting insights from powerful thinkers across multiple traditions including Black radicals Indigenous resurgence theorists terror management theorists and Buddhist feminists Rowe argues for the political importance of seemingly apolitical practices such as meditation and ritual On their own these strategies are not enough but integrated into social movements that are combating structural injustices mind body practices can begin transforming the embodied fears that feed endless fuel to supremacist ideologies and yet are not targeted by most political actors Radical Mindfulness is for academics activists and individuals who want to overcome supremacy of all kinds but are struggling to understand and develop methods for attacking it at the roots **Wrestling With the Ox** Paul O. Ingram,2006-05-01 A Christian scholar of Buddhism Paul

Ingram here develops a primordial theology that deals with the key religious issues of our times including religious ways of knowing the character of the Sacred our relation with nature and the various forms of liberation of the self of others and the final liberation from death with which all religious Ways must deal **Buddhism beyond Gender** Rita M. Gross,2018-03-27

A bold and provocative work from the late preeminent feminist scholar which challenges men and women alike to free themselves from attachment to gender At the heart of Buddhism is the notion of egolessness forgetting the self as the path to awakening In fact attachment to views of any kind only leads to more suffering for ourselves and others And what has a greater hold on people s imaginations or limits them more asks Rita Gross than ideas about biological sex and what she calls the prison of gender roles Yet if clinging to gender identity does indeed create obstacles for us why does the prison of gender roles remain so inescapable Gross uses the lenses of Buddhist philosophy to deconstruct the powerful concept of gender and its impact on our lives In revealing the inadequacies involved in clinging to gender identity she illuminates the suffering that results from clinging to any kind of identity at all *Contemporary Buddhist Ethics* Damien Keown,2013-01-11 This

innovative volume brings together the views of leading scholars on a range of controversial subjects including human rights

animal rights ecology abortion euthanasia and contemporary business practice Journeys East Harry Oldmeadow, 2004-04-28 Journeys East tells the story of the twentieth century's encounters between East and West by exploring the lives of many of the most fascinating scientists intellectuals artists and spiritual seekers of our time

Divining Woman Jane Flower, 2024-04-30 Divining Woman is directed to both the academic for research praxis and general reader interested in female history It takes the reader on a historical journey from the rise of patriarchy and its grand narratives that defined the place of women in western culture and which still resonate today At the same time is the lesser but extremely interesting history of a contemporary woman as she navigates the place of one woman in today's world and how the reader might evaluate their own place as a creative force in reclaiming her voice culture and lineage today The author takes a systemic approach in her research that introduces a different history of certain women throughout time with their specific characteristics and skills as well as their impactful actions It is a reclamation of female culture and a newfound history of female genealogy within a framework that covers the female spiritual in Celtic Christian Buddhist and the secular arts The in depth research historical and cultural interplay literary quests and myths promote a compelling case of women's fight against subjugation and exclusion This is both academic research and feminist storytelling intertwined with historical events that provide the reader with a creative insight into the topic On one hand academic research and analysis style gives an overview of patriarchy and its effects past and present and on the other The first person narration personal anecdotes and storytelling help bring Divining Woman to life Content is thus enhanced and complemented by these two styles This thesis places the reader in a prime position to launch the young academic on the road to finding solutions outside the mainstream schools of thought because it is honest personable and thoroughly academically researched

Buddhism After Patriarchy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Buddhism After Patriarchy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Buddhism After Patriarchy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Buddhism After Patriarchy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Buddhism After Patriarchy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Buddhism After Patriarchy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Buddhism After Patriarchy Books

What is a Buddhism After Patriarchy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Buddhism After Patriarchy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Buddhism After Patriarchy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Buddhism After Patriarchy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Buddhism After Patriarchy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
