They are kept as pets in countless homes in the vast majority of countries but they are also bred in magnificent colors for exhibiting and there is very keen competition at shows. Budgies are arguably the most rewarding affordable competitive pet animal around. Books on budgies are usually not the sort of book that make a great read but huge effort has been made to make this Budgie book a joy to curl up with. Budgies are a cheap and easy pet to keep or to breed. Recent years have seen spectacular new colors developed from Pinkish Lavender to Teal Blue Ultraviolet Red Violet and unbelievable Pastel colors often combined with white or yellow wings. The book is lavishly illustrated with many photos of the amazing colors and varieties of Budgies as well. Budgies in Color Ernest H. Hart, 1974 [Budgies in Color](#) Ernest Huntley Hart, 1967 **Parakeets And Budgies - Raising, Feeding, And Hand-Training Your Keet** Lisa Shea, I have owned parakeets also called budgies or keets since I was a tiny toddler. I have photos of my pregnant with me mom's parakeet named Gandalf so she owned parakeets even before I was born. Sometimes I've had four parakeets sometimes just one but in one way or another parakeets manage to wiggle their fluffy ways into my heart. This book is a compilation of my years of experience not only with my own parakeets but also with helping the tens of thousands of parakeet loving visitors who come to my parakeet forum. Between the group of us we've probably experienced everything there is that could happen to a keet good or bad. There is information on choosing a parakeet feeding a parakeet and full step by step instructions on hand training your parakeet. You can learn about parakeet activities parakeet toys and parakeet socialization. While the web is of course an awesome resource often there are times that it's simply easier to read an organized sequential set of instructions on an e reader. Also it seems that web access goes down during emergency situations. Having an ebook version of those what to do instructions available on your e reader has saved many a keet owner. Think of it as part of your emergency care kit for your beloved pet. If you have any questions always feel free to email me. I'm happy to lend a hand with keets. Enjoy *Budgies* Angela Davids, 2011-05-03 A budgie as the common parakeet is typically called is the subject of this Complete Care Made Easy pet guide that presents new and experienced bird keepers with insight into every aspect of selecting caring for and maintaining well behaved happy pet birds.
