

THERE'S SOMETHING FUNNY ABOUT THIS BUNNY!

Oh, no! The Easter Bunny is (pardon the expression) sick as a dog. Is there anyone who can take over those basket-busting, hippity-hoppity Easter morning rounds while the bunny recuperates? Well, there's the Easter *funny* bunny - Bugs Bunny. But Sylvester, Pepe Le Pew, Foghorn Leghorn and a particularly pesky *duck* all want to get in on the act.

In *Bugs Bunny's Easter Funnies*, newly animated sequences weave together classic Looney Tunes cartoons (including Academy Award® winners* *Birds Anonymous*, *For Scent-imental Reasons* and *Knighty Knight Bugs*) showcasing the wascally wabbit and pals doing what they do best: being funny! Alas, only one character can be the Easter Bunny's replacement. Can you guess who? Have you ever heard a rabbit go "Quack?"

Television Specials Vincent Terrace, 2024-10-15 In 1954, NBC President Pat Weaver introduced spectacular, lavish entertainment shows designed to bring a new dimension to television. Though special programs had been around since 1939, Weaver's effort heralded a new age with programs ranging from variety shows with big-name hosts (Judy Garland, Cher, Perry Como, Bob Hope) for instance, through animated holiday specials and outstanding dramas to acclaimed children's programming. This is the guide to 3,197 entertainment specials (1939 to 1993) that were broadcast on network, cable, or syndicated television. For each show, the cast (including guest stars) and announcer is provided. Also included are comprehensive production credits (director, producer, writer, and music), dates aired, networks, and running times and program synopses.

Holiday Specials on Television, 1939-2021 Vincent Terrace, 2023-01-27 In November 1939, NBC's fledgling television station, W2XBS, broadcast the first known holiday special: The Macy's Thanksgiving Day Parade. Despite its small viewership, very few TV sets existed at the time, the experimental telecast was a harbinger of a now-beloved American tradition: the holiday television special. This book offers a thorough account of holiday television specials in the United States from 1939 to 2021, highlighting variety shows, comedic performances, musical spectacles, and more. From familiar favorites (1964's *Rudolph the Red-Nosed Reindeer*) to campy one-offs (1985's *He-Man and She-Ra: A Christmas Special*), the 1,140 programs are covered alphabetically and feature performance casts, production credits, and storylines for each. Three appendices cover lost holiday specials along with Christmas and Halloween-themed episodes of popular television series.

Born Again Hunter - Special Family Edition David Dawson Humes, 2010-12-27 *New Old-fashioned Ways* Jack Santino, 1996 Every year as each holiday rolls around American popular culture is suddenly awash in images associated with that festivity While Christmas has been the most obviously commercialized celebration Halloween Easter the Fourth of July Hanukkah Thanksgiving and Valentine s Day are also reflected in the offerings of the mass media and consumer products industries This book is the first in depth investigation of the myriad ways in which traditional holidays are both manifested and exploited in a commercial consumerist society Jack Santino s analysis encompasses everything from movies to romance novels from television shows to comic books One especially fascinating feature of this study is its examination of the packaged foods industry and the manner in which soft drinks beer snack cakes cookies candy and breakfast cereals are regularly repackaged to reflect particular holidays In what becomes a central theme of the book Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time For example the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products but they assume a quality of uniqueness through their association with a special time of the year Throughout the book Santino examines the logic by which commercial culture and holidays are linked Halloween for instance with its traditional symbolism of death evil and monsters has served as a theme for heavy metal music and slasher films This in turn has led to some interesting transmutations as one text borrows from another in the wake of a commercial success When John Carpenter s pioneering 1978 slasher film *Halloween* became a box office hit it was perhaps inevitable that other holiday based slasher films *New Year s Evil* *April Fool s Day* and *Silent Night Deadly Night* would follow Copiously illustrated
