Build My Church:

Jesus Said, "I Will Build My Church" Don Faix, 2021-09-23 Where is this church of power that we see in the Book of Acts Where are the local bodies of believers that manifest the supernatural power of God today Has the desire to preach the gospel and win souls all but disappeared from the local church This intense and challenging book seeks to answer the simple question How did Jesus intend every local church to be built It will present the ten most basic principles in the building of every local church After some 30 years of doing seminars on the concept of build every church that received this teaching has admitted to applying less than two of these principles As a result many sitting in the church pews are just not saved Further there is a lack of discipleship to equip the saints to go forth and advance the kingdom of God The hope of this book is to see a restoration of local churches Churches that will turn from their traditions and man made ways of growing a church to building a church that the Lord will take pleasure in and be glorified *Barnes' Notes on the NT (Barnes)* Albert Barnes, Verse by verse the author covers the entire New Testament carefully and understandably explaining every verse and offering a practical application for Christian living **Where Are We Now** Bill Beckham, New movements in the Kingdom of God are either promoted by men or are an organism created by the Spirit of Christ Man has formed many structures created to defend doctrines organization formats etc Some of these are church based and some are simply castles standing among the Para church groups built by men who seek personal significance by forming a structure often named after themselves Bill Beckham has painstakingly evaluated current movements existing around the world today The reader will be encouraged to evaluate his or her commitment to the various models presented Those who seek to manipulate groups for growth will find in Bill's chapters a new paradigm one as old as the book of Acts presently being restored for the Last Days witness *The Disciple of Christ*, 1885 **Protestant Or Catholic?** Sabine Baring-Gould, 1868 **What is God Doing?** Lance Lambert, 2018-12-05 We have a tremendous heritage of movements of God While the movements have died crystalized and become institutionalized the actual recovery is still with us Thank God it is the Lord Jesus who said I will build My church and what He is recovering He is recovering It is never lost again In What is God Doing Lance covers many different movements of God What happened in these moves What is God doing now May His Church be encouraged by what He has done is doing and will do in the time to come **But We See Jesus** Stephen Kaung, 2015-07-03 Christianity is Jesus Christ It is not the teaching doctrine system or organization of Christ Rather it is Jesus Christ himself We need to see Him as God sees Him Yet this can only come about by revelation from above The Holy Spirit will reveal Jesus to us And when we do see Him as God sees Him we will fall down and worship Such then is the intent of this series of messages whose overarching theme is best summed up in the author's choice of title to the entire series But We See Jesus Hebrews 2:9a All nineteen messages were delivered by the author before a Christian audience in Richmond Virginia over a three year period commencing in the year 1992 May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him

with all our hearts and love Him with all our heart mind will and strength Jesus alone is worthy **A People of His Own -- A Study of God's Will** Dennis Dinger,2011-10-11 This book is a Biblical study of the will of God All of God s actions consistent with His stated will have been aimed at the recovery of fallen mankind so all can once again come into God s presence and have fellowship with Him The study covers all statements of God s will many statements about His will the actions God has taken those things in which He delights and the gifts God has given to mankind to fulfill His will and to effect their return to the fold The study covers Jesus stated will the actions He has taken and the gifts He has given in fulfillment of God s will Finally the study covers the work of the Holy Spirit in this world as He works to implement and fulfill God s will
