Duffy, 2010-05-01 Drawing upon the long history of care in the sacramental mission of the clergy especially since the reforms of Vatican II Father Duffy offers a new model that can stimulate both Catholic and Protestant pastoral care to fresh thinking and imaginative reconstruction The model derives from the catechumenate that lengthy process of study and service which down through the ages has preceded baptism and guided Christian formation Reflecting a judicious use of interdisciplinary insights and praxis theology Father Duffy's vision represents an ecumenical contribution to sharpened focus and strengthened identity for pastoral care and practice *The Writer's Market*, 1983 Congregational Music-Making and Community in a Mediated Age Anna E. Nekola, Tom Wagner, 2016-05-23 Congregational music can be an act of praise a vehicle for theology an action of embodied community as well as a means to a divine encounter This multidisciplinary anthology approaches congregational music as media in the widest sense as a multivalent communication action with technological commercial political ideological and theological implications where processes of mediated communication produce shared worlds and beliefs Bringing together a range of voices promoting dialogue across a range of disciplines each author approaches the topic of congregational music from his or her own perspective facilitating cross disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience The authors break important new ground in understanding the ways that music media and religious belief and praxis become lived theology in our media age revealing the rich and diverse ways that people are living experiencing and negotiating faith and community through music *Welcome to the Kingdom* Pastor Neil Gottman, 2025-01-27 The apostle Paul has told us in the book of Colossians chapter 1 that we have now been translated into the kingdom of God's dear Son Thus Welcome to the Kingdom is an attempt to help Christians to move beyond church life to a full and meaningful life in the kingdom here and now Jesus said I have come that you might have life and have it more

Shirey,2019-10-03 Christianity is dying in parts of the world it is already dead Yet there is hope but it will require radical surgery that many are unprepared to accept as necessary The vast behemoth that calls itself institutional Christianity must die if the Jesus Movement upon which it was founded is to live The essential message of the Christian gospel is that death leads to new life Is Christianity ready to embrace this truth and die so that it can live
