Building A Contagious Church:

Building a Contagious Church Mark Mittelberg, Bill Hybels, 2000 Mittelberg presents a proven process for raising the value of evangelism in your heart and in your church. He spells out strategies for training all of a church's members to naturally communicate their faith and offers ideas for initiating outreach ministries and events. Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches. **Becoming a Contagious Church** Mark Mittelberg, 2007 Mittelberg offers a vision for turning every church new or old into a contagious church that is a powerful magnet for attracting and influencing unchurched people. Becoming a Contagious Christian Participant's Guide Mark Mittelberg, Lee Strobel, 2007 Releasing the hidden evangelist in every Christian. Picture all of your church members as evangelists who demonstrate a contagious Christian character. Build spiritually strategic relationships. Direct conversations toward matters of faith. Communicate their faith in a style that's personal and natural. Explain biblical truths in a style that's personal and natural. Explain biblical truths in everyday language. Respond to the most common objections to Christianity. Becoming a Contagious Christian is a proven course designed to equip believers for effective evangelism in today's world. It avoids stereotyped approaches that feel intimidating to many Christians. Instead, it shows ordinary believers how they can share the gospel in a natural and powerful way while being the person God made them to be. Each session's exercises, discussions, self-assessments, and video vignettes give step-by-step guidance to help participants become effective communicators for Christ to those around them. Used with nearly 1,000,000 people, Becoming a Contagious Christian is an innovative and unparalleled program for training Christians in relational evangelism. Becoming a Contagious Christian works with any size group from small groups of 4-9 to Sunday school classes and other large groups of 10 to 150 or more. It can be presented successfully in any of the following formats: Three sessions of two hours each, Six sessions of 50 minutes each, One two or three day retreats. Or adapt it to fit the needs of your church. These components are also available separately: 6 sessions flexible format, 2 180 minute DVD videos. New Monasticism and the Transformation of American Evangelicalism Wes Markofski, 2015 For most of the last century, popular and scholarly common sense has equated American evangelicalism with across-the-board social, economic, and political conservatism. However, if a growing chorus of evangelical leaders, media pundits, and religious scholars is to be believed, the era of uncontested evangelical conservatism is on the brink of collapse if it hasn't collapsed already. Combining vivid ethnographic storytelling and incisive theoretical analysis, *New Monasticism and the Transformation of American Evangelicalism* introduces readers to the fascinating and unexplored terrain of neo-monastic evangelicalism. Often located in disadvantaged urban neighborhoods, new monastic communities pursue religiously inspired visions of racial, social, and economic justice alongside personal spiritual transformation through diverse and creative expressions of radical community. In this account, Wes Markofski has

immersed himself in the paradoxical world of evangelical neo monasticism focusing on the Urban Monastery an influential neo monastic community located in a gritty racially diverse neighborhood in a major Midwestern American city The resulting account of the way in which this movement reflects and is contributing to the transformation of American evangelicalism challenges entrenched stereotypes and calls attention to the dynamic diversity of religious and political points of view which vie for supremacy in the American evangelical subculture New Monasticism and the Transformation of American Evangelicalism is the first sociological analysis of new monastic evangelicalism and the first major work to theorize the growing theological and political diversity within twenty first century American evangelicalism *Rediscovering Church* Lynne Hybels,Bill Hybels,1997-12 Rediscovering Church is the candid story of Willow Creek Community Church s phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek s beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century s most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek s ministry philosophy to your own congregation s mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry **Good Sense Budget Course** Dick Towner,John Tofilon,2002-05-14 Everything you need to conduct 6 life changing sessions A proven resource for changing hearts and lives in the area of finances Good Sense can help relieve the stress and anxiety caused by consumer debt restore marriages torn by conflict over money and more **Becoming a Contagious Christian** Bill Hybels,Mark Mittelberg,2008-09-09 Evangelism doesn t have to be frustrating or intimidating Bill Hybels and Mark Mittelberg believe that effectively communicating our faith in Christ should be the most natural thing in the world We just need encouragement and direction In Becoming a Contagious Christian Hybels and Mittelberg articulate the central principles that have helped the believers at Willow Creek Community Church become a church known around the world for its outstanding outreach to unchurched people Based on the words of Jesus and flowing from the firsthand experiences of the authors Becoming a Contagious Christian is a groundbreaking personalized approach to relational evangelism You will discover your own natural evangelism style how to develop a contagious Christian character to build

Full Service Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan s focus on servanthood alone in contrast to the many books on servant

leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood The Unexpected Adventure Lee Strobel, Mark Mittelberg, 2009 Bestselling authors Strobel and Mittelberg use compelling and humorous stories from their own lives in a devotional style work that paints an irresistible picture of what personal evangelism can be the fulfilling adventure of a lifetime *Postmodernism* Bobby Brewer, 2001-11 Like most people when I first heard about postmodernism I thought it was absolutely the most ridiculous and ludicrous worldview I had ever encountered Initially it sounded like just another meaningless mind game hatched by some intellectual types hidden away in an ivory tower somewhere However I've quickly learned that postmodernism is a reaction to the most profound spiritual and philosophical crises of our time and very indicative of the spiritual status of contemporary North America After discovering the implications of a postmodern worldview I was frustrated to discover that the vast majority of ministry resources especially in the areas of church growth and evangelism were not geared towards reaching a postmodern culture During this same period over a burger and fries some teenagers from my church asked me What exactly is postmodernism and what should we be doing about it Minus the cheeseburger and fries this book answers these two pertinent questions Women of the Bible vs. Women of the Twenty-First Century Dr. Erdie Mae Roberts Hutchings, 2021-05-03 As the ruler of the world God had chosen how to guide His people He pointed them to two relationships Jesus's relationship to the Father who sent Him and His relationship to those God gave Him God controls every breath that we take and every step that one makes It is God that makes disappointments His appointments God reminds women that His delay does not mean denials it means development God's provision had already been set for both women of the Bible and women of the twenty first century This helped women worship the Giver more than the gift This is why prayer should not only be focused on God's provision but on His vision God stirred the spirit being large and in charge It was the relationship that women of the twenty first century and biblical women had with God that opened a mirror into the condition of their heart and women's dependence on Him God's delay does not mean denials it means development Women of today's era are much different than biblical women The twenty first century woman is consumed with multiple obligations duties and responsibilities on a daily basis sometimes all at once Today's women are finally stepping out of their historical role of only mother and housewife The modern woman has a much different lifestyle with many different choices Modern women also look dress and act much differently than biblical women Women today have also evolved and continue to evolve as they adapt to change **Evangelism Outside the Box** Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That's what Rick

Richardson's book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson's Circles of Belonging a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

Becoming a Contagious Church Mark Mittelberg, 2010-12-21 Discover a Proven Approach to Raising Your Church's Evangelistic Temperature Evangelism It's one of the highest values in the church So why do so few churches put real effort into it Maybe it's because we don't understand the evangelistic potential of the church well enough to get excited about it Becoming a Contagious Church will change that Revised and updated this streamlined edition dispels outdated preconceptions and reveals evangelism as it really can be What's more it walks you through a 6 Stage Process and includes a brand new 6 Stage Process assessment tool for taking your church beyond mere talk to infectious energy action and lasting commitment This book is not optional It's required reading for all who are serious about reaching their communities for Christ Ignoring this book would be pastoral malpractice Lee Strobel author of The Case for the Real Jesus You can't read this book without having your heart stirred to share the gospel It's contagious Rick Warren author of The Purpose Driven Church and The Purpose Driven Life Entire leadership teams and outreach committees should read and discuss this powerful book and then put its principles into action John Maxwell author of Developing Leaders Around You I can't emphasize how important books like this one are for the future of the church It demythologizes the fear and awkwardness of evangelism into something biblical tangible and practical for every person Dan Kimball author of They Like Jesus but Not the Church Becoming a Contagious Church is hands down the most comprehensive work on church evangelism I've ever read Its principles can turn inward looking church attenders into outward looking church evangelists Craig Groeschel senior pastor LifeChurch tv

Comeback Churches Ed Stetzer, Mike Dodson, 2007 Church growth experts Stetzer and Dodson explain why most congregations plateau and then eventually decline and they reveal how to revive a body of believers Readers can learn the importance of lighting a spiritual fire intentional evangelism making disciples forming small groups and then watch pews fill up again Church Life

Surviving a Spiritual Mismatch in Marriage Lee Strobel, Leslie Strobel, 2002 The author of The Case for Christ now presents thoughts on the spiritual aspects of marriage

Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford, 2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the

message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same **Postmodernism** R.
