White charismatic renewal John Wimber the development of second services Black Gospel overlooked non white sources of worship music degree programs for worship leaders and Robert Webber **Renewal Theology: Salvation, the Holy Spirit, and Christian living** John Rodman Williams,1988 *The Lichen Factor* Jim Lotz,1998 *Committed Communities* Charles J. Mellis,1976-06-01 This is a brilliantly written exploration of the community s role in worldwide mission reviewing the history of how the church has functioned in fulfilling the Great Commission for the last two thousand years *Obey the Great Commission* Joshua YJ Su,2022-12-20 This book is an exposition of the significance of the Great Commission of Christ for Christian life and how it to be properly obeyed It emphasizes the sovereignty of God as Father Son and Holy Spirit over this Commission and the rightful place of the Church as His People in its fulfilment It addresses the biblical theological and ministerial facets of the Commission The core of this Commission is being disciples who make disciples for Christ by the Spirit and the Word of God Obeying the Great Commission is not only the focal task of the Church but the way the Spirit transforms believers to be like Christ and grow towards His fullness It exposes many misconceptions and misapplications that have seriously hampered the fulfilment of this Commission and how to treat them It shows the principles and the core processes that are required for its proper realization *Pentecost and Parousia* Peter D. Hocken,2013-10-23 As the charismatic movement penetrated the Protestant churches and then impacted the Catholic Church great hopes for Christian unity were aroused among many These hopes peaked with the great Kansas City conference of 1977 and the Pentecost over Europe gathering in Strasbourg France in 1982 After these high points the Renewal s unity dynamic weakened at the same time as the ecumenical movement was losing momentum Dr Hocken argues that the charismatic movement was always a grace for unity and that this can be seen from how it began and spread Its deep orientation to unity finds its foundation in the end times significance of baptism in the Spirit poured out on Christians from so many traditions that reinforces the one hope for the coming of the Lord Many developments of the last twenty years indicate that the time is now ripe for an ecumenism of the Spirit within which the charismatic impulses of the Holy Spirit can purify and deepen the wider movement for Christian unity Growing reconciliation between Evangelicals and Catholics suddenly seems less utopian as Pope Francis shows the servant face of a humbler Catholic Church *Unfamiliar Paths* David E. Bjork,2014-09-16 This book explains why some missionaries are being led to reject the missional models and many of the methodologies which are the most widely accepted by North American evangelical missionaries working in France The author demonstrates that the evangelical Protestant missionaries witness for Christ in Western Europe is often ineffective because their governing missional paradigm and their ministry methods working in conjunction tend to project a separatist image and isolate them from those they wish to influence for Christ The author argues for the development of a missionary spirituality based upon the kenosis and an understanding of Christian unity based upon the perichoresis **The Encyclopedia of Christianity** Erwin Fahlbusch,Geoffrey William Bromiley,1999 The Encyclopedia of Christianity is the first of a five volume English translation of

the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA *One Heart and Soul* Trevor John Saxby, 2006 Trevor Saxby s book on intentional Christian community for today combining gritty challenging teaching with people s own stories of life in community **Prepare Your Church for the Future** Carl F. George, 1991-07-01 By analyzing the present day church and examining societal trends Carl George presents a model that can mobilize your church for outreach
