Building Trust In Ireland:

Building Peace in Northern Ireland Maria Power, Maria Clemence Power, 2011-01-01 Since the troubles began in the late 1960s people in Northern Ireland have been working together to bring about a peaceful end to the conflict Building Peace in Northern Ireland examines the different forms of peace and reconciliation work that have taken place Maria Power has brought together an international group of scholars to examine initiatives such as integrated education faith based peace building cross border cooperation and women s activism as well as the impact that government policy and European funding have had upon the development of peace and reconciliation organizations *Building Trust in Ireland* Forum for Peace and Reconciliation, 1996 Which aspects of life in the South are hindering reconciliation in Ireland How have religious minorities fared since partition What is the role of the Catholic Church How to Northern Unionists perceive their Southern neighbours How intractable are the legal obstacles to reconciliation **Tax Morale II Building Trust between Tax Administrations and Large Businesses** OECD, 2022-09-05 The issue of trust between Multinational Enterprises MNEs and tax

administrations is a vital part of the tax system but relatively little studied Building on previous OECD research on tax morale which measures taxpayer perceptions and attitudes towards paying and evading taxes this report presents new data on how tax administrations perceive MNE behaviour towards tax compliance **Peace-Building and Development in Guatemala and Northern Ireland** C. Reilly, 2008-12-22 This book analyzes the implementation of peace processes in Northern Ireland and Guatemala with emphasis on the role of mid level civil society and religious organizations or the voluntary sector Both countries interrupted years of conflict signed peace accords in 1998 and 1996 respectively and still struggle to make them work Despite very different economic development levels both countries have colonial legacies deep cultural divisions and engaged diaspora They grapple with violence poverty and inequitable distribution of wealth and power While religious differences are a backdrop to violence and reconciliation in both cases insecurity and inequity are the root cause and consequence of these conflicts The book summarizes lessons learned and makes policy recommendations for more civil post conflict societies arguing that similar dynamics fuel sustainable peace building and authentic development **The Role of Trust in Conflict Resolution** Ilai Alon, Daniel Bar-Tal, 2017-02-21 Built on the premise that trust is one of the most

important factors in intergroup relations conflict management and resolution at large this volume explores trust and its mechanisms and operations especially in the Israeli Palestinian conflict Significantly this volume focuses not only on the nature of trust and distrust in the Israeli Palestinian conflict but it also explores how it is possible to build and increase trust on both sides in the conflict a necessity in order to advance the stalled peace process As trust is a concept that is interdisciplinary by nature so are this volume s contributors sociologists philosophers sociologists social psychologists political scientists as well as experts in the Middle East Islam Judaism and the Israeli Palestinian conflict bring together real multidisciplinary perspectives that complement each other and then provide a comprehensive picture about the nature of

trust and distrust and its ramification and implications for the Israeli Palestinian conflict Divided into five thematic parts the volume begins with by examining the theoretical basis of trust research from multiple perspectives Then it presents chapters on trust distrust and trust building in other conflicts around the world The third part is a unique feature of this volume as it takes a contextual approach it emphasizes the importance of particular cultural and religious considerations on both sides of the conflict The thrust of the book is examined in the next section Part IV discusses and analyses various aspects of trust and specifically distrust in the context of the Israeli Palestinian conflict Significantly the chapters of this part take the perspectives of the participants in the conflict Israeli Jews Palestinians and Israeli Arabs Finally the volume concludes by providing an integrative conceptual perspective based on the principles of social and political psychology An important goal of this volume is to not only explore trust and distrust in an intractable conflict but also to provide practical multi disciplinary outlooks and implications to advance trust building in two conflict ridden societies Israeli and Palestinian and other societies around the world
