Emotional Roller Coaster Zina Anderson, 2019-07-22 I wrote this book based on all the emotional roller coaster we all go through at one time or another in life I looked back over my life and noticed I could not be the only one who s feeling like this At different times in all our lives we all go through the emotional roller coaster ride where we are faced with situation and problems not knowing how we are going to deal with the different hills as they goes up slowly to the top until they reach the highest level Then all of a sudden it comes rush down so fast that it take your emotions all over the place Before we can catch a breath we are going up inside of a loop going around at a fast pace all over the place It seems to reach the different points of the roller coaster ride as we are catching our breaths and starting to breathe normal once again That s the same as our emotions just when we are about to feel like things are going back to normal something else comes up and here we go again Yes I felt like this all the time over the different periods in my life I learned to look at what was happening and when I started feeling like my emotions were starting to lose control I find myself yelling and getting bent out of shape with my emotions running all over the place Then I learned that when you are going through different experiences in your life you have to seek the Lord in a different way by challenge yourself out of your normal way of serving the Lord Seek him more on a personal level and let him teach you about more of him and less of you
