## **Armament Tide Rearming America:**

*United States Naval Institute Proceedings*, 2004      **Rearming Germany** James S. Corum, 2011-04-11 This book is intended to serve as an advanced course text for students studying the Cold War The rearmament of both Germanies in the late 1940s early 1950s was one of the defining moments of the Cold War The question of rearming Germany became one of the most difficult questions faced by the Western Allies after World War II Inside West Germany there was also a considerable debate as to whether Germany ought to rearm at all Once the decision to rearm was made the Germans and Western Allies ran into all the practical problems of deciding whether Germany would join NATO what role the Germans would play in the Alliance how Germany would be armed and the form the armed forces would play in German society A team of expert authors have examined all of these core questions in detail An analysis of the origins of rearmament in East Germany is also provided With this book a reader will gain a thorough understanding of the complex issues that faced the West from 1945 1957 Contributors are Jonathan House Douglas Peifer Martin Rink Daniel Jordan Adam Seipp Thomas Vogel Klaus Naumann Dieter Kollmer and Oliver Haller      **Germany - The Tides of Power** Michael Balfour, 2004-03-01 In Germany The Tides of Power Michael Balfour sets out to explain the factors which have shaped the German social political and economic character Tracing the movement of power from the Middle Ages onwards he seeks to lead the reader to an understanding of modern Germany why Germany precipitated and lost two major wars this century how the astonishing growth of wealth over the last half century was achieved the meaning behind the recent unification of Germany As German economic expansion continues into the 1990 s Professor Balfour discusses the power held by this technologically advanced nation and considers the acceptance of this power by the rest of the world      *Weapon of the Strong* Jon Bailes, Cihan Aksan, 2012-11-09 The term terrorism is often applied exclusively to non state groups or specific rogue states Far less attention is given to state terrorism carried out or sponsored by democracies most notably the United States History shows that this state terrorism has been responsible for the deaths of millions of people *Weapon of the Strong* analyses the forms of US state terrorism through exclusive never before published interviews with leading commentators and theorists including Noam Chomsky Edward S Herman Richard A Falk Judith Butler Ted Honderich Norman Finkelstein and Gilbert Achcar The interviews explore the different aspects of state terrorism its functions institutional supports and the legal and moral arguments surrounding it and consider specific case studies in Europe Latin America and the Middle East *Weapon of the Strong* makes an indispensable contribution to contemporary debates on terrorism and constructs a damning critique of US foreign policy from World War Two to the present day      *American Decision to Rearm Germany* Laurence W. Martin, 1963      **Making the Americas** Thomas F. O'Brien, 2007-07 The author an expert on business interests in Latin America examines U S efforts spanning two centuries to impose economic dominance on the peoples of the Americas and the Latin American responses to these policies      **Bulletin of the Atomic Scientists**, 1982-04 The Bulletin of the Atomic Scientists is the premier public resource on

Nojeim,David P. Kilroy,2011-02 Shows students how to analyze foreign policy choices American Security and Negotiations for the Rearmament of Germany, 1954-1955 William Dale Tingley,1964 Arms Transfer Limitations and Third World Security Thomas Ohlson,1988 Is the arms trade totally uncontrolled What are the main obstacles to limitations on arms transfers What can be learned from past attempts at arms transfer control This book which completes SIPRI s trilogy on the facts and implications of Third World build up of major conventional weapons assesses past efforts current proposals and future possibilities to limit the transfer of weapons and military technology to Third World countries It is a companion to the two SIPRI volumes Arms Production in the Third World 1986 and Arms Transfers to the Third World 1971 85 OUP 1987

*Britain, America and Arms Control 1921-37* Christopher Hall,1987-03-16 Arms control diplomacy as a central factor in superpower relations is not a new phenomenon In this book Christopher Hall traces the rise and fall of a previous arms limitation effort the naval treaties of the interwar years which successfully controlled competition in the strategic weapons of that era the battleships and other vessels of the British American and other great power navies He shows the problems and their solutions many of relevance today which made the treaties possible and their major role in the peaceful transfer of leadership of the west from the British Empire to the United States **America's Cold Warrior** James Graham Wilson,2024-07-15 In America s Cold Warrior James Graham Wilson traces Paul Nitze s career path in national security after World War II a time when many of his mentors and peers returned to civilian life Serving in eight presidential administrations Nitze commanded White House attention even when he was out of government especially with his withering criticism of Jimmy Carter during Carter s presidency While Nitze is perhaps best known for leading the formulation of NSC 68 which Harry Truman signed in 1950 Wilson contends that Nitze s most significant contribution to American peace and security came in the painstaking work done in the 1980s to negotiate successful treaties with the Soviets to reduce nuclear weapons while simultaneously deflecting skeptics surrounding Ronald Reagan America s Cold Warrior connects Nitze s career and concerns about strategic vulnerability to the post 9 11 era and the challenges of the 2020s where the United States finds itself locked in geopolitical competition with the People s Republic of China and Russia *British Power and International Relations during the 1950s* Michael J. Turner,2009-10-08 This book examines BritainOs role and influence in a pivotal decade The postwar international order was still taking shape in the 1950s Much was unsettled and in these circumstances Britain could realistically expect to remain and be treated as one of the Big Three world powers along with the

United States and Soviet Union Some adjustments were required in British priorities and methods in view of changing pressures and needs at home and abroad but the continuing desire was to make Britain's position tenable in those parts of the world that were of special importance to British prestige power strategy prosperity and security This book elucidates the motives behind key decisions discusses their far reaching consequences explains why some options were taken and others rejected and places British policy making in the appropriate international context Designed primarily for undergraduate and beginning postgraduate students the book offers an up to date single volume treatment of major themes in British and international history historiographical synthesis and comment detailed narrative accessible easy to follow analysis and a clear evidence based point of view concerning the survival of British power in challenging times     *Moral Re-Armament* D. Sack, 2009-12-07 With its mixture of American evangelicalism popular psychology and show business Moral Re Armament attracted men and women on six continents This book traces Moral Re Armament's reinventions over fifty years from its Ivy League beginnings to its spiritual heirs Up With People and Alcoholics Anonymous     **Arms Control and Disarmament Agency Authorization for Fiscal Years 1982-83** United States.
