Arms Transfers Under Nixon A Policy Analysis:

Bitter Legacy Richard C. Lukas, 1982-01-01 A model of policy analysis Arms Transfers under Nixon provides a lucid and lively demonstration of how the Nixon administration combined skillful diplomacy and the adroit use of arms transfers to bring about a remarkable series of American foreign policy achievements The Middle East provides the most dramatic example Here the Arab Israeli military balance was stabilized Egypt was persuaded and enabled to forsake its heavy dependence upon the Soviet Union conditions favorable to peace negotiations were arranged and important interim agreements were brokered by the United States In the Persian Gulf the promotion of Iran and Saudi Arabia as effective guarantors of regional stability in the wake of British withdrawal and maintaining the pro Western orientation of these governments are shown to have been essential to crucial United States and Western interests The dramatic reversal with the collapse of the Shah's government is assessed as are the causes of that post Nixon debacle The battles that accompanied the administration's initiatives battles with hostile nations with allies with the Congress and even within the administration and the diplomatic and political moves by which opposition was overcome provide the stuff of an exciting and instructive narrative

Arms Transfers under Nixon Lewis Sorley, 2014-07-11 A model of policy analysis Arms Transfers under Nixon provides a lucid and lively demonstration of how the Nixon administration combined skillful diplomacy and the adroit use of arms transfers to bring about a remarkable series of American foreign policy achievements The Middle East provides the most dramatic example Here the Arab Israeli military balance was stabilized Egypt was persuaded and enabled to forsake its heavy dependence upon the Soviet Union conditions favorable to peace negotiations were arranged and important interim agreements were brokered by the United States In the Persian Gulf the promotion of Iran and Saudi Arabia as effective guarantors of regional stability in the wake of British withdrawal and maintaining the pro Western orientation of these governments are shown to have been essential to crucial United States and Western interests The dramatic reversal with the collapse of the Shah's government is assessed as are the causes of that post Nixon debacle The battles that accompanied the administration's initiatives battles with hostile nations with allies with the Congress and even within the administration and the diplomatic and political moves by which opposition was overcome provide the stuff of an exciting and instructive narrative

Air University Review, 1986-05 *National Security and Core Values in American History* William O. Walker III, William O. Walker, 2009-04-06 Drawing upon themes from the nation's past William O Walker III presents a new interpretation of the history of American exceptionalism *Quarterly Review of Military Literature*, 1983 *The DISAM Journal of International Security Assistance Management*, 1987

Arms and the State Keith Krause, 1995-08-10 This book analyses the structure and motive forces that shape the global arms transfer and production system Air University Library Index to Military Periodicals, **Melvin Laird and the Foundation of the Post-Vietnam Military, 1969-1973** Richard A. Hunt, 2015 Examines the former Congressman Melvin Laird's efforts to reconstitute the Department of Defense

during the last years of the Vietnam war Laird acted to mitigate the adverse effects of the Vietnam War on the department and to prepare the nation's armed forces for the future. Foremost was the transition from a conscripted military to an all volunteer force a fundamental policy shift that ended an unpopular and inequitable draft system from jacket Arms and Warfare Michael Brzoska, Frederic S. Pearson, 1994 *Arms and Warfare* considers the impact of arms shipments on a conflict once it has begun. Using case studies the authors pinpoint the timing of arms transfers and then assess the influence of these deliveries *Arms Transfers to the Third World, 1971-85* Michael Brzoska, Thomas Ohlson, 1987 The value of major conventional weapons imported by Third World countries between 1971 and 1985 was quadruple that for the previous two decades. This spectacular increase reflects changes in the economic and technological relations between industrialized nations and the Third World as well as having profound political repercussions. This book gives a comprehensive overview of the flow of major conventional weapons during the period 1971-85. It analyses both the suppliers and the main Third World recipients describing the inflow of arms and the reasons underlying it. The facts that propel this arms trade are assessed in a concluding chapter which also analyses the structural changes that have occurred in the arms markets and their implications. The detailed statistics and arms trade registers for the period in some cases from 1951 and the introduction of a new SIPRI price system for evaluating the arms trade make this a valuable reference work *Professional Journal of the United States Army*, 1983 **The West and the Birth of Bangladesh** Richard Pilkington, 2021-08-15 In 1971 authorities in Islamabad perpetrated mass atrocities in East Pakistan in an attempt to thwart a struggle for autonomy by terrorizing the local population into submission. *The West and the Birth of Bangladesh* explores the decision making processes and ethical debates in Washington, Ottawa and London during the crucial first few months of the crisis. US president Richard Nixon and his national security advisor Henry Kissinger favoured appeasement of Islamabad. The Canadian government was unwilling to hazard bilateral ties with Pakistan. Under public pressure only the UK showed somewhat greater willingness to coerce Islamabad into ending its oppressive actions. Richard Pilkington analyzes the interplay of US, Canadian and British responses toward East Pakistan and the available policy options. This insightful book reveals how even as human rights movements began to emerge in the West blinkered government actors there remained too preoccupied with protecting national interests to take firm action during the crisis *Infantry*, 1985 Military Law Review, 1990 **Just Politics** C. William Walldorf, Jr., 2011-08-15 Many foreign policy analysts assume that elite policymakers in liberal democracies consistently ignore humanitarian norms when these norms interfere with commercial and strategic interests. Today's endorsement by Western governments of repressive regimes in countries from Kazakhstan to Pakistan and Saudi Arabia in the name of fighting terror only reinforces this opinion. In *Just Politics* C. William Walldorf Jr. challenges this conventional wisdom arguing that human rights concerns have often led democratic great powers to sever vital strategic partnerships even when it has not been in their interest to do so. Walldorf sets out his case in detailed studies of British alliance relationships with the Ottoman Empire.

and Portugal in the nineteenth century and of U S partnerships with numerous countries ranging from South Africa Turkey Greece and El Salvador to Nicaragua Chile and Argentina during the Cold War He finds that illiberal behavior by partner states varying degrees of pressure by nonstate actors and legislative activism account for the decisions by democracies to terminate strategic partnerships for human rights reasons To demonstrate the central influence of humanitarian considerations and domestic politics in the most vital of strategic moments of great power foreign policy Walldorf argues that Western governments can and must integrate human rights into their foreign policies Failure to take humanitarian concerns into account he contends will only damage their long term strategic objectives *Armor* ,1982 *Political science quarterly* ,1992

The Rise and Decline of the American Century William O. Walker III,2018-10-15 No detailed description available for The Rise and Decline of the American Century

U.S. Military Strategy in the Gulf (Routledge Revivals) Amitav Acharya,2014-01-02 First published in 1989 this title explores the nature and dimensions of the U S strategy in the Gulf in the formative years that followed the fall of the Shah the Soviet invasion of Afghanistan and the outbreak of the Iran Iraq war It describes the formation of the U S Rapid Deployment Joint Task Force and the U S Central Command their force structure and the network of U S bases and facilities in the region The role of pro Western countries in the wider region in particular Pakistan Egypt Jordan and Israel in the formulation of strategy is discussed in detail along with a more general assessment of the achievements and failures of U S strategy in the Gulf towards the end of the 1980s In light of the persistent struggle for peace within the Middle East this is a timely reissue which will be of great interest to students researching U S military strategy over the past thirty years
