

An Army Doctor's Wife on the FRONTIER

Letters from Alaska and the Far West, 1874-1878

Edited by ABE LAUFE

UNIVERSITY OF PITTSBURGH PRESS

Army Doctors Wife On The Frontier Letter

David Sievert Lavender

Army Doctors Wife On The Frontier Letter:

An Army Doctor's Wife on the Frontier Emily McCorkle FitzGerald, 1986 *Army Wives on the American Frontier* Anne Bruner Eales, 1996 No one interested in the history of the American West or in women's history should miss this well written carefully researched comprehensive treatment of a subject that previous scholars have largely ignored Based on the writings of more than fifty women who accompanied their husbands to remote duty posts in the far west **The Frontier Army in the Settlement of the West** Michael L. Tate, 2001-10-01 A reassessment of the military's role in developing the Western territories moves beyond combat stories and stereotypes to focus on more non martial accomplishments such as exploration gathering scientific data and building towns **The American Military on the Frontier** United States Air Force Academy. Library, Betsy C. Kysely, 1976 **The Army Medical Department, 1865-1917** Mary C. Gillett, 1995 The third in a four volume work that covers the history of the Army Medical Department from 1775 to 1941 this volume traces the development of the department from its rebirth as a small scattered organization in the wake of the Civil War through the trials of the Spanish American War and the Philippine Insurrection up to the entrance of the United States into World War I A time of revolutionary change both in the organization of the U S Army and in medicine the period climaxed with the golden age of Army medicine when U S medical officers played a leading role in research that developed new and effective weapons in the war against epidemic disease Foreword **Frontier Medicine at Fort Davis and Other Army Posts: True Stories of Unglamorous Maladies** Donna Gerstle Smith, 2022-10 From a headless burial to cocaine toothache drops the true stories hidden in the Wild West's medical records are a match for its tallest tales In the 19th century when dying young was a fact of life a routine bout of diarrhea could be fatal No one had heard of viruses or bacteria but they killed more soldiers on the frontier than hostile raiding parties Physicians dispensed whiskey for TB mercury for VD and arsenic for indigestion Baseball injuries were considered to be in the line of duty and twice resulted in amputations at Fort Davis Donna Gerstle Smith explains how an industrious laundress could earn more than a private how a female army surgeon won the Medal of Honor and how a garrison illegally hung the local bartender **Archeological Investigations at the Russian Bishop's House, 1981** Catherine Holder Spude, 1985 [Touched by Fire](#) Louise Barnett, 2006-10-01 A comprehensive and balanced biography of the controversial George Armstrong Custer **The View from Officers' Row** Sherry L. Smith, 1991-02-01 Capturing military men in contemplation rather than combat Sherry Smith reveals American army officers views about the Indians against whom they fought in the last half of the nineteenth century She demonstrates that these officers and their wives did not share a monolithic negative view of their enemies but instead often developed a great respect for Indians and their cultures Some officers even came to question Indian policy expressed misgivings about their personal involvement in the Indian Wars and openly sympathized with their foe The book reviews the period 1848 1890 from the acquisition of the Mexican Cession to the Battle of Wounded Knee and encompasses the entire trans Mississippi West Resting primarily on

personal documents drawn from a representative sample of the officer corps at all levels the study seeks to juxtapose the opinions of high ranking officers with those of officers of lesser prominence who were perhaps less inclined to express personal opinions in official reports No educated segment of American society had more prolonged contact with Indians than did army officers and their wives yet not until now has such an overview of their attitudes been presented Smith's work demolishes the stereotype of the Indian hating officer and broadens our understanding of the role of the army in the American West Thunder in the Mountains Daniel J. Sharfstein, 2017-04-04 Beautifully wrought and impossible to put down Daniel Sharfstein's *Thunder in the Mountains* chronicles with compassion and grace that resonant past we should never forget Brenda Wineapple author of *Ecstatic Nation* Confidence Crisis and Compromise 1848-1877 After the Civil War and Reconstruction a new struggle raged in the Northern Rockies In the summer of 1877 General Oliver Otis Howard a champion of African American civil rights ruthlessly pursued hundreds of Nez Perce families who resisted moving onto a reservation Standing in his way was Chief Joseph a young leader who never stopped advocating for Native American sovereignty and equal rights *Thunder in the Mountains* is the spellbinding story of two legendary figures and their epic clash of ideas about the meaning of freedom and the role of government in American life **Mistresses of the Transient**

Hearth Robin D. Campbell, 2020-10-28 This book explores the ways in which mid 19th Century American army officers wives used material culture to confirm their status as middle class women **Soldier, Surgeon, Scholar** William Henry Corbusier, 2003 An ethnographer and ethnologist Corbusier published studies of the languages and cultures of the Yavapai the Sioux and the Shoshoni His memoir records his observations on American Indian dances and ceremonies and his medical treatment of prominent figures such as Sarah Winnemucca Red Cloud and American Horse **BOOK JACKET** *Special Bibliography - US Army Military History Research Collection* US Army Military History Research Collection, 1974

Dictionary Catalog of the Stefansson Collection on the Polar Regions in the Dartmouth College Library Stefansson Collection, 1967 *Pennsylvania Military History* John B. B. Trussell, 1974 **Frontier Women and Their Art** Mary Ellen Snodgrass, 2018-06-01 While often less celebrated than their male counterparts women have been vital contributors to the arts for centuries Works by women of the frontier represent treasured accomplishments of American culture and still impress us today centuries after their creation The breadth of creative expression by women of this time period is as remarkable as the women themselves In *Frontier Women and Their Art* A Chronological Encyclopedia Mary Ellen Snodgrass explores the rich history of women's creative expression from the beginning of the Federalist era to the end of the nineteenth century Focusing particularly on Western artistic style the importance of cultural exchange and the preservation of history this book captures a wide variety of artistic accomplishment including Folk music frontier theatrics and dancing Quilting stitchery and beadwork Sculpture and adobe construction Writing translations and storytelling Individual talents highlighted in this volume include basketry by Nellie Charlie acting by Blanche Bates costuming by Annie Oakley diary entries by Emily French

translations by Sacajawea flag designs by Nancy Kelsey photography by Jennie Ross Cobb and singing by Lotta Crabtree Each entry includes a comprehensive bibliography of primary and secondary sources as well as further readings on the female artists and their respective crafts This text also defines and provides examples of technical terms such as applique libretto grapevine farce coil pots and quilling With its informative entries and extensive examinations of artistic talent Frontier Women and Their Art is a valuable resource for students scholars and anyone interested in learning about some of the most influential and talented women in the arts *Let Me Be Free* David Sievert Lavender, 1999 Recounts the desperate attempt of Chief Joseph and his Nez Perce Indians of Idaho to elude annihilation by the U S Cavalry by escaping to Canada

Journal of the West Lorrin L. Morrison, Carroll Spear Morrison, 1993 **Childbirth: Midwifery theory and practice** Philip K. Wilson, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company Special Bibliographic Series US Army Military History Research Collection, 1973
