Yvonne F. Conte,2012-01-30 Want to get back to a day when life was easy children did as they were told and your grandmother cooked on Sunday It all begins with you Laughter Humor and Joy expert Yvonne Conte shows you how in this very different book about Life Love and Italian Cooking Includes over 45 authentic Italian recipes from three generations of Conte s Introduction The Conte Family trace our origin to Amaroni a small town in the Province of Catanzaro in southern Italy in the Region of Calabria My great Grandparents Francesco and Francesca DiVito Conte had three sons and two daughters Their eldest son was my grandfather Antonio Conte We called him Pa He came to this country as a young boy and hoped for a good life in the new world He married Philomena Marrotta and had four children The eldest was my father Frances William Conte My Dad came from a strong dedicated and loyal family He knew the power of that kind of family strength and he passed that knowledge down to my sisters and I Somehow that made me feel very safe and protected as a child growing up in the 50 s and 60 s I always knew my family had my back no matter what They would always be there for me I could count on that If ever there was a disagreement with one of us kids he would look at us and say That s your sister You re family I don t want to hear anymore Kiss and make up And we always did My father would not tolerate any sort of discord We cried a little bit we laughed a little bit and then Daddy would get us in the kitchen and we d cook Somehow a wonderful meal and sitting around the table together made everything alright He taught me that nothing is as important as the family He has been gone now since 1995 and much has changed Our families have gotten bigger and some of our traditions have gone by the wayside I think that happens in most families as time goes on I wrote this book because I want my grandchildren to know that same kind of family strength and loyalty that I grew up with I think it s time for Americans to go back to their roots and back to the values respect and beliefs that this country was founded on In the first section you will find a collection of essays Some essays are funny some are emotional and some are just my random thoughts I ve tried to be descriptive so that you can almost hear the laughter from my many Conte Gerace Scarano and Paone cousins smell the aromas and envision us around the table The second section offers the same kind of values respect and beliefs in conversations with Gary Dunes a long time fixture in the Central New York radio market The third section is my real gift to you I m giving away all the family secrets Forty five recipes from three generations of Conte s fill the pages I m telling you you can almost smell the sauce I hope you enjoy this book Of everything I ve ever written this book offers more of me my
