Manzano,2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve

**Understanding the New Testament and the End Times, Second Edition** Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper

framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters **The God Dilemma V.
