Christian America and the Kingdom of God Richard T. Hughes, Christina Littlefield, 2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work *Christian America and the Kingdom of God* spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation

Sleepwalking to Armageddon Helen Caldicott, 2017-11-07 A frightening but necessary assessment of the threat posed by nuclear weapons in the twenty first century edited by the world s leading antinuclear activist With the world s attention focused on climate change and terrorism we are in danger of taking our eyes off the nuclear threat But rising tensions between Russia and NATO proxy wars erupting in Syria and Ukraine a nuclear armed Pakistan and stockpiles of aging weapons unsecured around the globe make a nuclear attack or a terrorist attack on a nuclear facility arguably the biggest threat facing humanity In *Sleepwalking to Armageddon* pioneering antinuclear activist Helen Caldicott assembles the world s leading nuclear scientists and thought leaders to assess the political and scientific dimensions of the threat of nuclear war today Chapters address the size and distribution of the current global nuclear arsenal the history and politics of nuclear weapons the culture of modern day weapons labs the militarization of space and the dangers of combining artificial intelligence with nuclear weaponry as well as a status report on enriched uranium and a shocking analysis of spending on nuclear weapons over the years The book ends with a devastating description of what a nuclear attack on Manhattan would look like followed by an overview of contemporary antinuclear activism Both essential and terrifying this book is sure to become the new bible of the antinuclear movement to wake us from our complacency and urge us to action

Islamic State and the Coming Global Confrontation Hussein Solomon, 2016-05-19 This book analyzes the origins and organizational structure of Islamic State IS examining its military triumphs and success in securing new recruits via social media From its base in Iraq and Syria IS has spread globally with 17 regional affiliates from Indonesia to Nigeria and sleeper cells in at least 60 countries capable of atrocities like the Paris attack To understand the threat of IS this book explores its organizational structure and underlying ideology and implications for Western efforts to attack the leadership of IS The ways IS has grown by swiftly adapting its military strategy developing creative forms of funding and efforts to win hearts and minds of locals are identified The author highlights how the competing individual national interests between the Western military alliance and local partners have

served to strengthen IS With its ideology spreading ever further this book warns of the looming violent confrontation between democratic and Islamist forces This volume speaks to academics in international relations security studies and strategic studies policy makers and interested parties **The Whispering Archangel** Cleveland Joahl Sai, 2010-06-15 From author Cleveland Joahl Sai comes an intriguingly new genre that young and old readers alike will surely find fascinating and inspiring In this self help fiction tales are more than stories for mere entertainment The engaging stories controversial dialogues mystical anecdotes and vivid otherworldly experiences serve a point Though conveyed in fictional accounts the serious intent of *The Whispering Archangel* is to inspire introspection and new vision This intent permeates every word The book presents a unique view of how we got to where we are and assumes that we can change where we say we are going This absorbing book presents exchanges and thoughts about existence that are altogether unique It supposes that ultimate truth is not so clearly defined The individuals in the book have different stories and come from different worlds In their quest for illumination they are lead to conclusions personal truths and understandings which even contradict Through them the reader may find that universal truth is found along the path of personal understanding Through the tales in *The Whispering Archangel* a story of ascension as pursued humanity is told This book suggests that a profound examination of all that is within and all that surrounds humankind must occur in order for ascension to take place It demands that humanity awaken become more consciously aware of the Life surrounding it and ascend **The Mennonite Hymnary** Walter H. Hohmann, Lester Hostetler, 1940 **Immigration, Integration, and Security** Ariane Chebel D'Appollonia, Simon Reich, 2008-05-01 Recent acts of terrorism in Britain and Europe and the events of 9 11 in the United States have greatly influenced immigration security and integration policies in these countries Yet many of the current practices surrounding these issues were developed decades ago and are ill suited to the dynamics of today s global economies and immigration patterns At the core of much policy debate is the inherent paradox whereby immigrant populations are frequently perceived as posing a potential security threat yet bolster economies by providing an inexpensive workforce Strict attention to border controls and immigration quotas has diverted focus away from perhaps the most significant dilemma the integration of existing immigrant groups Often restricted in their civil and political rights and targets of xenophobia racial profiling and discrimination immigrants are unable or unwilling to integrate into the population These factors breed distrust disenfranchisement and hatred factors that potentially engender radicalization and can even threaten internal security The contributors compare policies on these issues at three relational levels between individual EU nations and the U S between the EU and U S and among EU nations What emerges is a timely and critical examination of the variations and contradictions in policy at each level of interaction and how different agencies and different nations often work in opposition to each other with self defeating results While the contributors differ on courses of action they offer fresh perspectives some examining significant case studies and laying the groundwork for future debate on these crucial issues **Visions of the Apocalypse**

Wheeler W. Dixon, 2003 *Visions of the Apocalypse* examines the cinema's fascination with the prospect of nuclear and or natural annihilation as seen in such films as *We Were Soldiers* *The Last War* and *Tidal Wave* Dixon also discusses such topics as the death of film itself to be replaced by digital video **Armageddon 2 : Antara Petaka dan Rahmat , Catalog of the Oriental Institute Library, University of Chicago** University of Chicago.
