Armed Services And Society:

The Military in the Service of Society and Democracy Daniella Ashkenazy, 1994-04-30 This volume examines civil military relations in general and nonmilitary functions in the service of society and democracy in particular in six different nations against the backdrop of the Israeli experience with a dual role military Since its inception the Israeli Defense Force IDF has functioned as a very effective fighting force while also fulfilling many core nonmilitary roles as a powerful educational and remedial agent engaged in strengthening the fabric of Israeli society The inner workings of the IDF in this area the subject and dynamics of its broad social agenda including the dilemmas inherent in education toward broad intellectual autonomy within a regimented system such as the military are presented for the first time before a non Israeli audience in detail and with much candor by both high echelon IDF personnel and junior officers in conscript service directly responsible for carrying out these missions Armed Services and Society Martin Edmonds, 1988 An examination of the methods by which the main by which the inter relationships of armed services and society may be explored and explained It identifies the chief variables assesses current theories and proposes an overarching theory which can explain changes and be used for prediction **The Armed Forces and Society** Michael Ashcroft, 2012-05-14 Based on extensive research on both sides of the Atlantic including the biggest ever independent survey of serving personnel The Armed Forces Society offers a compelling insight into the views of our Armed Forces and the public they serve The experience of wearing uniform in public how society could show its appreciation for Service personnel in a more tangible way their career expectations in civilian life and the attitudes of employers towards those leaving the Forces are among this issues discussed in this unique exploration of the relationship between our society and its military **Democratic Societies and Their Armed Forces** Stuart A. Cohen, 2013-02-01 These papers are an edited selection from the BESA conference of 1998 They present an overview of transformations in societal military relations in the western world and the specific manifestations in Israel **Armed forces and society** Jacques van Doorn, France) > World Congress of Sociology, Working Group on Armed Forces and Society, 2018-11-05 No detailed description available for Armed forces and society Hearings, Reports and Prints of the Senate Committee on Armed Services United States. Congress. Senate. Committee on Armed Services, 1968 **Handbook of the Sociology of the Military** Giuseppe Caforio, Marina Nuciari, 2018-05-19 This new edition of the volume is presented on the wave of the success which had its first edition 2003 It is entirely updated to the current situation of the disciplines covered and expanded with particular regard to the new missions that have become the main challenge for the armed forces in these first decades of the new millennium with new insights to technological development toward so called cyborg warriors new forms of leadership and changes in soldier s identity and organisational culture It is compiled of documents coming from various researchers at universities around the world as well as military officers devoted to the sector of study Covered in this volume is a historical excursus of studies prior to contemporary research interpretive models and theoretical

approaches developed specifically for this topic civic military relations including issues surrounding democratic control of the armed forces military culture professional training conditions and problems of minorities in the armed forces an examination of the structural change within the military over the years including new duties and functions following the Cold War

Armed Forces and Society in Europe A. Forster, 2005-10-31 In the post Cold War era European militaries are engaged in an ongoing adaptation which is challenging relations between armed forces and the societies that they serve This book offers an innovative conceptual framework to critically evaluate contemporary civil military relations across the continent of Europe It analyzes eight key issues in armed forces and society relations to explore the scale and intensity of these changes

Armed Forces and Conflict Resolution Guiseppe Caforio, Gerhard Kummel, Bandara Purkayastha, 2008-10-15 Covers the various aspects of war in the twenty first century where asymmetric warfare has changed many rules of the game imposing a profound transformation on the military not only tactical but also structural preparatory mental and ideological This book also covers the delicate relations between the armed forces and societies

Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments, 1994

Understanding Military Culture Allan D. English, 2004-03-01 Culture has been described as the bedrock of military effectiveness because it influences everything an armed service does The recent conflicts in Afghanistan and Iraq have highlighted the importance of culture as a concept in analyzing the ability of military organizations to perform certain tasks In fact a military's culture may determine its preferred way of fighting and dealing with other challenges like incorporating new technologies more than its doctrine or organizational structure This book examines military culture from a theoretical and a practical point of view It focuses on the Canadian and American military cultures and it provides the first detailed examination of the culture of the Canadian Forces It also compares their culture to that of the US armed forces The book concludes that while the culture of the Canadian Forces has been Americanized to a certain extent the culture of the US armed forces due to changes in their personnel and roles has experienced a certain degree of Canadianization at the end of the 20th and the beginning of the 21st centuries

Armed Forces and Society in Europe A. Forster, 2005-10-31 In the post Cold War era European militaries are engaged in an ongoing adaptation which is challenging relations between armed forces and the societies that they serve This book offers an innovative conceptual framework to critically evaluate contemporary civil military relations across the continent of Europe It analyzes eight key issues in armed forces and society relations to explore the scale and intensity of these changes

Military and Society in 21st Century Europe Jürgen Kuhlmann, Jean M. Callaghan, 2000 This outstanding compendium of articles on Europe's military situation as we enter the new millennium has been compiled under the aegis of the George Marshall European Center for Security Studies The leading analysts of military studies in every major nation of Europe are included along with three overview pieces that set the tone and content for this nicely integrated volume The opening pieces by Martin Shaw on the

evolution of a common risk society Christopher Dandeker on the military in democratic societies and Wilfried von Bredow on the re-nationalisation of military strategy set the tone for the work as a whole Although the Cold War is now a decade removed from the new Europe the challenges of transition to new defense systems and institutional structures still confront those who plan the future for the military establishments of Europe The individual country studies contained in this volume as well as the final analysis of the trends and probable future developments in Europe should be required reading throughout the national security structure for politicians and decision makers seeking to understand the dilemmas facing European militaries and the societies they defend The country chapters cover a wide range of nations Jean Callaghan examines the Bulgarian armed forces after its 1997 elections Marie Vlachova and Stefan Sarvas review civil military relations in the Czech nation Jano Sabo studies the role of the defense sector in Hungary Adriana Stanescu sees Romania as a case of delayed modernisation Paul Klein and Jurgen Kuhlmann review the German armed forces in the context of a peace dividend Bernard Boene and Didier Danet consider France in the light of the post draft situation Marina Nuciari and Giuseppe Caforio consider the Italian military in a democratic context Finally Jan van der Meulen and his colleagues look upon the Netherlands military as a case study in post modernisation The final contribution is a summary report by the editors on the lessons that have been learned in assessing the contemporary civil military complex In all this is a state of the art volume on the state of the armed forces in Europe

Policy Concerning Homosexuality in the Armed Forces United States. Congress. Senate. Committee on Armed Services, 1994 **Career Opportunities in the Armed Forces** C. J.
