**Brother of the Wander Path** Frank Keith, This is the story of a most unusual hobo His real name is Henry Best but all those who know him call him by the moniker Lefty In the beginning Lefty is as emblematic a vagabond as thousands of others too which roam the nation during the early parts of the twentieth century That is he was until time and a few particular experiences turn him into a remarkable hobo He is a rather complicated character to begin with and also a shrewd and sharp one too Lefty s greatest enjoyment in life besides traveling is telling children tales of his travels while he and they are gathered around his campfires Although it is great fun and entirely harmless many adults frown upon this because they either see danger to their children from Lefty or generally dislike hobos One day Lefty discovers a box during one of his countless wanderings It lay half submerged in a creek and when he retrieves it he finds that he can t open it because it is a so called strong box However later on and with the help of some children friends who brought him tools to his camp he managed to get it open To his and the children s disappointment the box only contains some pocket change and papers He

divides the money equally with the children and put the papers back into the box and hides it Lefty went away after he got roughed up by some locals and travels thousands of miles crisscrossing the nation He goes through thick and thin during the following year Lefty lives through numerous adventures and he is nearly killed a couple of times too That strong box he had found will profoundly change his life and other people s too He just didn t know it yet **Report of Cases Argued and Determined in the Supreme Court of Alabama** Alabama.
