Challenge and inspire your teenage learners to think beyond language. Think is a fresh, vibrant, and upbeat course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning, developing their thinking skills, encouraging them to reflect on values, and building self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. This split-combo edition includes 4 Students' Book and Workbook units combined, plus access to the online learning management platform with extra resources and interactive activities. Teachers can use the platform to track students' progress and ensure more effective learning.

*Around the World in 180 Days Student Workbook*, 2011-10-12

Take your students on a grand tour of creation, one continent at a time. Payne's back-to-basics guide uses a notebook approach that is ideal for multilevel learning. Drawing information from a wide variety of resources, young explorers will dive into the geography, history, religion, current events, and culture of all seven continents and consider how to share the gospel to people from each. Using an atlas, encyclopedia, textbooks, or the recommended list of literature and library books, students will find geographical elements, define new terms, describe the geography of a certain area, and write down their own thoughts. Answer essay questions, create projects, respond to literature, and answer other questions about the people and places they're studying around the world. 195 perforated, non-reproducible pages, softcover. 2nd Edition.
