Anyanwu,2013-03-14 Wasting a dream is like wasting a life and a life without a dream is a hopeless one We don t dream to attract attention or recognition to be applauded by families and well wishers We do dream because our lives are dependent on it Real dreamers never quit even when it seems like giving up They are aware of the fact that the dreams they possess are tried and tested They comprehend that without the hurdles these dreams fail to survive the test of time No man prays for his dreams to be opposed but the fact still remains It s inevitable Literal dreamers only imagine and assume They paint the maginified pictures

of their lives but never strive to make them happen Real dreamers never deal with assumptions they believe and act One thing is to dream and another to act on it to make it a reality It s biblically written that faith without work is dead A dream without an effort hits the rock So therefore keep your aspirations alive with the right nutrients As long as you can breath your dreams can breathe also Living Beyond Your Dream World is a book which will energize your body soul and spirit to be part of the Dream Census thus making the dream alive DIG DEEPER DREAM BIGGER IT S YOUR TIME TO SHINE
