Ars Typographica ,1970 **A Catalogue of the Library Illustrative of the History and Art of Typography, Chalcography and Lithography of Richard M. Hoe** Chiswick Press,2024-07-03 Reprint of the original first published in 1877 *The Princeton Alciati Companion* William Sebastian Heckscher,1989 **A Typographical Gazetteer** Henry Cotton,1831 Published Poems Herman Melville,Robert Charles Ryan,Hershel Parker,2009-07-02 Although he surprised the world in 1866 with his first published book of poetry *Battle Pieces and Aspects of the War* Herman Melville had long been steeped in poetry This new offering in the authoritative Northwestern Newberry series *The Writings of Herman Melville* with a historical note by Hershel Parker is testament to Melville the poet Penultimate in the publication of the series *Published Poems* follows the release of Melville s verse epic *Clarel* 1876 and with it contains the entirety of the poems published during Melville s lifetime *Battle Pieces* as well as *John Marr and Other Sailors with Some Sea Pieces* 1888 and *Timoleon Etc* 1891 *Battle Pieces and Aspects of the War* has long been recognized as a great contribution to the poetry of the Civil War comparable only to Whitman s *Drum Taps* Its idiosyncrasies many of them grounded in British poetry kept it from immediate popularity but it was not the production of a novice Melville had made himself over into a poet in the late 1850s and had tried to publish a previous collection of poetry now lost in 1860 *John Marr and Other Sailors* is a retrospective nautical book Its portraits of sailors were influenced by Melville s own experience of aging as well as by his long acquaintance with wasted mariners at the *Sailors Snug Harbor* on Staten Island where his brother was governor The book modulates into *Sea Pieces* including the grisly *Maldivian Shark* and *To Ned* a powerful reflection on how Melville s personal adventures with the *Typee* islanders in 1842 had accrued rich historical significance over the decades Thematically less unified *Timoleon Etc* contains poems with many European and exotic settings from ancient to modern times The most famous are *After the Pleasure Party* and *The Age of the Antonines* Published in the last year of Melville s life some of the poems were first written many years earlier for example Melville copied *The Age of the Antonines* out for his brother in law in 1877 describing it as something found in a bundle of old papers One whole section seems to have been almost entirely salvaged from the unpublished 1860 volume of poetry As with the other volumes in the Northwestern Newberry series the aim of this edition of *Published Poems* is to present a text as close to the author s intention as surviving evidence permits To that end the editorial appendix includes a historical note by Hershel Parker the dean of Melville scholars which gives a compelling in depth account of how one of America s greatest writers grew into the vocation of a poet an essay by G Thomas Tanselle on the printing and publishing history of the works in *Published Poems* a textual record that identifies the copy texts for the present edition and explains the editorial policy and substantial scholarly notes on individual poems **Catalogue of Copyright Entries** ,1922
