The Art and Science of Personal Magnetism Theron Q. Dumont, 2009-01-01 Have you ever heard of someone being described as having a magnetic personality Chances are that person is well aware of his or her unique ability to charm and persuade others most people blessed with this gift have actually worked long and hard to develop it In The Art and Science of Personal Magnetism author Theron Dumont discusses New Thought principles and offers simple techniques to help you supercharge your powers of persuasion *Art and Science of Personal Magnetism* Theron Q. Dumont, 1986 **Art and Science of Personal Magnetism** Theron Q. Dumont, 1930 **Art and Science of Personal Magnetism** Theron Q. Dumont, 1986-02-01 *The Art And Science of Personal Magnetism* Theron Q. Dumont, 2005 Introduction to The Art and Science of Personal Magnetism I take pleasure in presenting to many American students who will acquire possession of copies of this book these practical lessons on the art and science of Personal Magnetism These chapters contain the gist of the lessons taught be me in classes and to individuals in my courses of personal instruction conducted by me here in Paris for the past eighteen years In my personal class work of course I adapt the instruction to the special requirements of my individual students which I cannot do in the case of general lessons in printed form But notwithstanding this I feel that I have condensed into these pages the essence of my methods and principles of practice so that any student of average intelligence may readily grasp assimilate and apply the same with success at least I feel that if the student does not accomplish this it will be his or her own fault not that of myself In introducing this book I wish to express my obligations to Mr L N D an American student of mine here in Paris who has kindly transformed my rather stilted guidebook English into the plain simple form desirable for a book designed for the general public I feel particularly indebted to him for supplying the idiomatic American man on the street terms thus reproducing the conversational style which I use in all my lessons in French but which my book English rendered impossible in this case without the kindly assistance of this worthy gentleman With hand on heart I send to my new American audience the sincere regards and most earnest wishes for success of their solicitous teacher Theron Q Dumont Paris France August 26 1913 **The Art and Science of Personal Magnetism** Theron Q. Dumont, 2019-10-07 It is a strange and almost amusing fact that there should be at the same time on the part of the general public such a general acceptance of the existence of personal magnetism on the one hand and such an ignorance of the nature of this wonderful force on the other hand In short while everyone believes in the existence of personal magnetism scarcely anyone possesses knowledge of the real nature of the same much less a working knowledge of its principles of application A belief in the existence of a personal power influence or atmosphere on the part of certain individuals which enables the possessor to attract influence dominate or control others has been held by the race from the earliest days of written history Many of the oldest writings of the race contain references to the strange mysterious power possessed by certain individuals which enabled them to attract or influence others And following the course of written human history along the ages we may

perceive a constant reference to this strange power of the individual so generally acknowledged and at the same time so little understood *The Art and Science of Personal Magnetism: the Secret of Mental Fascination* Theron Dumont, 2015-08-10

THE ART AND SCIENCE OF PERSONAL MAGNETISM a book that became a best seller of its time Dumont teaches the student the existence of a Science that he calls the science of Personal Magnetism that explains a certain personal power influence or atmosphere on the part of certain individuals which enables the possessor to attract influence dominate or control others has been held by the race from the earliest days of written history In the book Dumont that Personal Magnetism thought a series of theories and exercises that will make the possessor of the new talent a successful individual A book for enlightenment It will provide the seeker the one who is ready and is paying attention some of the deepest answers of life **The Art and Science of Personal Magnetism** Theron Q.
