Art And The Beauty Of God A Christian Understanding:

Art and the Beauty of God Richard Harries, 2000-01-01 In recent centuries with the notable exception of Hans Urs von Balthasar Christian theology has failed to find a proper place for beauty The Bishop of Oxford Richard Harries shows how a biblical faith can give a key place to beauty and he argues for a distinctively Christian approach to art that is also sensitive to the spiritual dimension in all art Originally published in 1993 *Art and the Beauty of God* was selected by Anthony Burgess as his book of the year This reprinted edition makes Harries eloquent study available again *Art and the Beauty of God* Richard Harries, 2005-01-01 British bishop argues for a distinctively Christian approach to art *Art and the Beauty of God* Richard Harries, 2000 *The Oxford Handbook of Religion and the Arts* Frank Burch Brown, 2018 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts *The Beauty of Jesus Christ* Gerald O'Collins, 2020 This book offers a working description of beauty It draws on the Scriptures both Old and New Testament to illustrate how the beauty of Christ manifested itself at every stage of his story *What is the Point of Being a Christian?* Timothy Radcliffe, 2013-01-17 WINNER OF THE MICHAEL RAMSEY PRIZE FOR THE BEST IN THEOLOGICAL WRITING Winner of the Michael Ramsey prize for the best in theological writing Cardinal Timothy Radcliffe is in demand the world over with Bishops priests lay people and above all young people This new book is his response What is the Point of being a Christian One is pointed to God who is the point of everything If one thinks of religion as just useful then one has reduced it to another consumer product But if we are pointed to God then this should make a difference to how we live This is not a moral superiority Christians are usually no better than anyone else But the lives of Christians should be marked by some form of hope freedom happiness and courage If they are not then why should anyone believe a word they say In this new book Cardinal Radcliffe is at his best writing with a prophetic edge His argument for Christian belief is profoundly Catholic and profoundly human But what is just as remarkable Radcliffe's argument for and interpretation of Christian Gospel is couched in a deep understanding of human nature and the problems and anxieties of modern men and women Radcliffe is far distant from the theologian's ivory tower and yet his understanding of the Gospel is profoundly theological The frame of reference for this book is wide and it is based amongst other things on Fr Radcliffe's pastoral experience of dealing with people with problematic marriages those struggling with celibacy those trying to understand the nature of religious authority and those trying to remain loyal to the Church which finds their sexual orientation irregular *Public Life and the Place of the Church* Michael Brierley, 2017-11-28 The work of Richard Harries Bishop of Oxford from 1987 to 2006 has been highly distinctive for the consistency of its engagement with contemporary society It represents a model of the Church which is outward looking a Church which is as ready to learn from others as it is to offer its own wisdom and resources This book reflects on Richard Harries' ministry in the borderlands of society and Church and engages deeply with the nature of modern society and the place of the Church within it Taking Richard Harries

The Shaping of a Soul Richard Harries, 2023-03-31 Richard Harries was serving as a soldier in Germany when he suddenly had an overwhelming sense that God was calling him to be ordained He had virtually no religious background but like Martin Luther he could do no other The Shaping of a Soul is the story of a man who has engaged in some of the major issues of our time and who for fifty years has been a much loved voice on Thought for the Day in the Today programme Bishop of Oxford from 1987 to 2006 Harries was made a Life Peer on his retirement and remains active in the House of Lords as Lord Harries of Pentregarth In a life repeatedly taken by surprise he tells how he is still able to retain his faith even in our present highly secular and sceptical society

Treier, Mark Husbands, Roger Lundin, 2007-05-18 Editors Mark Husbands Roger Lundin and Daniel J Treier present ten essays that explore a Christian approach to beauty and the arts The visual arts music and literature are considered as well as the theological meaning and place of the arts in a fallen world redeemed by Christ *Good Taste, Bad Taste, & Christian Taste* Frank Burch Brown, 2003 Christians frequently come into conflict with themselves and others over such matters as music popular culture and worship style Yet they usually lack any theology of art or taste adequate to deal with aesthetic disputes In this provocative book Frank Burch Brown offers a constructive ecumenical approach to artistic taste and aesthetic judgment a non elitist but discriminating theological aesthetics that has teeth but no fangs While grounded in history and theory this book takes up such practical questions as How can one religious community accommodate a variety of artistic tastes What good or harm can be done by importing music that is worldly in origin into a house of worship How can the exercise of taste in the making of art be a viable and sometimes advanced spiritual discipline In exploring the complex relation between taste religious imagination and faith Brown offers a new perspective on what it means to be spiritual religious and indeed Christian **Horrendous Evils and the Goodness of God** Marilyn McCord Adams, 2018-09-05 When confronted by horrendous evil even the most pious believer may question not only life's worth but also God's power and goodness A distinguished philosopher and a practicing minister Marilyn McCord Adams has written a highly original work on a fundamental dilemma of Christian thought how to reconcile faith in God with the evils that afflict human beings Adams argues that much of the discussion in analytic philosophy of religion over the last forty years has offered too narrow an understanding of the problem The ground rules accepted for the discussion have usually led philosophers to avert their gaze from the worst horrendous evils and their devastating impact on human lives They have agreed to debate the issue on the basis of religion neutral values and have focused on morals an approach that Adams claims is inadequate for formulating and solving the problem of horrendous evils She emphasizes instead the fruitfulness of other evaluative categories such as purity and defilement honor and shame and aesthetics If redirected philosophical reflection on evil can Adams's book demonstrates provide a valuable approach not only to theories of God and evil but also to pastoral care

Sense and Spirituality James McCullough, 2015-06-02 There is growing interest in the relationship between the arts and Christian faith Much has been written about the arts and theology and the place of the arts in church life Not as much has been written however about how the arts might actually advance spiritual formation in terms of the cumulative effect of religious experience and intentional practices This book provides a modest step forward in that conversation a conversation between theological aesthetics and practical theology Understanding aesthetics as the realm of sense perception and spiritual formation as growing capacities to participate in God's purposes James McCullough suggests how these dynamics

can mutually enhance each other with the arts as an effective catalyst for this relationship McCullough proposes an analysis of artistic communication and explores exciting examples from music poetry and painting which render theoretical proposals in concrete terms This book will engage both those new to the arts and those already deeply familiar with them
