one of Turner's staunchest supporters the art critic John Ruskin [Selections from the Works of John Ruskin](#) John Ruskin, 2018-08-12 Selections From the Works of John Ruskin by John Ruskin Introduction Two conflicting tendencies in Ruskin It is distinctive of the nineteenth century that in its passion for criticising everything in heaven and earth it by no means spared to criticise itself Alike in Carlyle's fulminations against its insincerity in Arnold's nice ridicule of Philistinism and in Ruskin's repudiation of everything modern we detect that fine dissatisfaction with the age which is perhaps only proof of its idealistic trend For the various ills of society each of these men had his panacea What Carlyle had found in hero worship and Arnold in Hellenic culture Ruskin sought in the study of art and it is of the last importance to remember that throughout his work he regarded himself not merely as a writer on painting or buildings or myths or landscape but as the appointed critic of the age For there existed in him side by side with his consuming love of the beautiful a rigorous Puritanism which was constantly correcting any tendency toward a mere cult of the aesthetic It is with the interaction of these two forces that any study of the life and writings of Ruskin should be primarily concerned We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
