**Crater to the Creggan** Michael Barthorp, 1976      Urban Warfare in the Twenty-First Century Anthony King, 2025-05-14

War is urbanising From Mosul to Mumbai Aleppo to Marawi the largest and most intense battles of the twenty first century have taken place in densely populated urban areas In the Ukraine War Russian and Ukrainian troops have converged on urban areas Kyiv Mariupol and Bakhmut to fight brutal attritional sieges Meanwhile the Battle of Gaza rages Through a close analysis of recent urban conflicts and their historical antecedents sociologist Anthony King explores the changing typography of the urban battlescape Whilst many tactics used in urban warfare are not new he shows how operations in cities today have coalesced into localised micro sieges which extend from street level and below to the airspace high above the city as combatants fight for individual buildings streets and districts At the same time digitalized social media and information networks communicate these battles to global audiences across an urban archipelago with these spectators often becoming active participants in the fight Fully revised and updated to include detailed examples from Ukraine and Gaza to illustrate the anatomy of twenty first century urban warfare the second edition of this popular text is a timely reminder of the costs and the horror of war and violence in cities As such it offers an invaluable interdisciplinary introduction to urban warfare in the new millennium for students of international security urban studies and military science as well as military professionals

*Death in Derry* Jonathan Trigg, 2025-05-01 I was in the Army over thirty years and Derry was the most resentful place I ever served even the dogs hated us When civil rights protests in the 1960s gave way to armed struggle the Provisional IRA in Derry both city and county led the fight against the British security forces In the city Martin McGuinness a young butcher s assistant from the Bogside quickly rose through the ranks launching a bombing campaign that reduced the city centre to rubble In tandem the IRA s active service units fought the British Army in the streets and alleys of the Bogside Creggan Shantallow and the Waterside Out in the townlands a new generation from the county s traditional republican families waged an equally ruthless war against their neighbours in the RUC and UDR The Derry Brigade s success would help propel McGuinness to the very top of the IRA s Army Council By the early 1980s the Derry Brigade appeared untouchable However in reality Special Branch and British Intelligence had infiltrated it from top to bottom and almost destroyed the brigade By the mid 1990s its war was all but over its ranks decimated by death and incarceration This is the story of that war told by those from all sides who survived it

**Britain and the Yemen Civil War, 1962-1965** Clive Jones, 2004-10-01 This study makes extensive use of primary sources to produce a detailed account of British involvement in the Yemen Civil War and how the experience shaped British foreign policy

**The IRA, 1968-2000** J. Bowyer Bell, 2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle

**Aden Insurgency** Jonathan Walker, 2014-11-19 During the early 1960s the Cold War reached its climax Britain

s dwindling power in the Middle East was under siege from Arab nationalism the Communist bloc and from American designs in the region Aden with its strategic military base and old Protectorate buffer zone was soon the main battleground The 1962 Egyptian inspired coup in the neighbouring Kingdom of North Yemen further tightened the noose So began a bitter and bloody insurgency war in South Arabia British regular and special forces were soon pitted against growing and formidable insurgency forces fighting both a war in the mountains and an urban conflict in the backstreets of Aden Intelligence agencies vied for control of hearts and minds The British launched a clandestine war in Yemen to keep their enemies at bay But still the situation in Aden spiralled out of control culminating in a bloody slaughter in 1967 In that November the British Army finally withdrew from South Arabia Aden Insurgency is the extraordinary story of Britain's last colonial conflict Using a wide range of recently released archive and eye witness accounts the author charts the collapse of the South Arabian state Set against a background of ruthless political ambition these events shaped the Yemen of today

**A Bibliography of Regimental Histories of the British Army** Arthur S. **Marching with the Tigers** Michael Goldschmidt, 2009-09-19 As the definitive final volume of the history of The Royal Leicestershire Regiment Marching with The Tigers covers events in that Regiment and its successor the 4th Battalion The Royal Anglian Regiment over the years 1955-75 During this period the Battalions undertook overseas and operational tours in Cyprus Germany Hong Kong Borneo Aden Malta and Libya Bahrain and Northern Ireland Supported by seventeen maps and many black and white photographs its lively text describes the Regular battalions activities up to the disbandment of Tiger Company in 1975 the Territorial Army battalions up to the disbandment of The Royal Leicestershire Regiment Territorial in 1971 the early years of the Leicestershire Companies in the 5th and 7th Volunteer Battalions The Royal Anglian Regiment the Depot the Museum the Regimental Chapel in the Cathedral and Affiliations The final chapter brings The Tigers History right up to the present day including Royal Tigers Wood and the dedication of the various national memorials commemorating the Regiment Its numerous appendices contain a wealth of information such as lists of Honors and Gallantry Awards including Long Service and Efficiency Decorations and Medals Colonels and Commanding Officers and of those who commanded other units and formations Late Entry Commissions and National Service Officers Marching with The Tigers is not only comprehensive but lavish as well with the four Cuneo paintings the cap badges and the Colors all displayed in color

**A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge

range of topics is covered There is a comprehensive index      *From Civil Rights to Armalites* Niall Ó Dochartaigh,1997 This book describes and analyses political changes in Derry from the beginning of the civil rights movement in 1968 to the height of the Troubles in 1972 and explains how conditions were created for protracted conflict in those early years The situation in Northern Ireland is distinguished above all by its duration After rapidly pitching forward towards full scale civil war in the early 1970s the conflict was stabilized and brought under control Despite predictions that the conflict would gradually dissipate it persisted over two decades The city of Derry has been a principle focus for the conflict It was in Derry that the early civil rights campaign focused the first rioting broke out and it was to Derry that the first British troops were sent in August 1969 By analyzing the development and escalation of the conflict in Derry this book provides a detailed examination of a number of broader issues It seeks to explain how the civil rights campaign was superseded by a conflict how large sections of the Catholic community became actively hostile to the Northern Ireland state how the Protestant community was transformed by events and why the British army became a major party in the conflict Ultimately it illustrates the way in which complex and durable relationships of confrontation were established and how these relationships created a political framework within which conflict could be sustained for decades Publisher description      **Oman's Insurgencies** John

Peterson,2014-05-22 Oman today is a rapidly modernizing and peaceful country on the fringes of a region in turmoil It does however have a long history of internal strife In the twentieth century this strife took the form of two internal conflicts The Northern Oman or al Jabal al Akhdar War of the 1950s was a struggle between the forces of the old tribally based Imamate and the newer Sultanate in the northern part of the country In the Dhufar War of the 1960s 70s an anti Sultanate and later Marxist front sought secession in the south J E Peterson takes a detailed look at these two wars in the context of insurgency and counter insurgency warfare He surveys Oman s transition from a strictly traditional regime controlling only parts of the country to a modern inclusive state particularly in terms of security concerns Peterson analyses the development of the Sultanate s successful responses to security challenges especially in the creation and evolution of modern armed forces

**Inside the Special Air Service** Tony Geraghty,1981      *The Northern Ireland Troubles* Aaron Edwards,2023-09-28 In this fully illustrated introduction acclaimed historian Dr Aaron Edwards provides a concise overview of one of the most difficult and controversial actions in recent history Spanning 38 years of the Troubles the British Army s deployment in Northern Ireland codenamed Operation Banner was one of the most difficult and controversial in its recent history Over 10 000 troops were on active service during much of the campaign which saw armoured vehicles helicopters and special forces deployed onto the streets of Ulster In this book Dr Aaron Edwards considers the strategic operational and tactical aspects of Operation Banner as the Army s military objectives morphed from high profile peacekeeping into a covert war against the IRA Using personal testimony from both sides of the sectarian divide as well as insights from the soldiers themselves he presents an authoritative introduction to the Army s role in the Troubles providing expert analysis of Operation Banner s

**Defending the realm?** Aaron Edwards,2018-02-28 Britain is often revered for its extensive experience of waging small wars Its long imperial history is littered with high profile counter insurgency campaigns thus marking it out as the world s most seasoned practitioner of this type of warfare This is the first book to detail the tactical and operational dynamics of Britain s small wars arguing that the military s use of force was more heavily constrained by wider strategic and political considerations than previously admitted Outlining the civil military strategy followed by the British in Palestine Malaya Kenya Cyprus Aden Northern Ireland Iraq and Afghanistan *Defending the realm* argues that Britain s small wars since 1945 were fought against the backdrop of an irrevocable decline in British power Written from a theoretically informed perspective grounded in rich archival sources oral testimonies and a revisionist reading of the literature on counter insurgency and counter terrorism this is the definitive account of the politics of Britain s small wars British Counterinsurgency John Newsinger,2016-04-30 British Counterinsurgency challenges the British Army s claim to counterinsurgency expertise It provides well written accessible and up to date accounts of the post 1945 campaigns in Palestine Malaya Kenya Cyprus South Yemen Dhofar Northern Ireland and more recently in Iraq and Afghanistan

*Decolonization and Conflict* Martin Thomas,Gareth Curless,2017-06-15 Insurgency based irregular warfare typifies armed conflict in the post Cold War age For some years now western and other governments have struggled to contend with

ideologically driven guerrilla movements religiously inspired militias and systematic targeting of civilian populations Numerous conflicts of this type are rooted in experiences of empire breakdown Yet few multi empire studies of decolonisation s violence exist Decolonization and Conflict brings together expertise on a variety of different cases to offer new perspectives on the colonial conflicts that engulfed Europe s empires after 1945 The contributors analyse multiple forms of colonial counter insurgency from the military engagement of anti colonial movements to the forced removal of civilian populations and the application of new doctrines of psychological warfare Contributors to the collection also show how insurgencies their propaganda and methods of action were inherently transnational and inter connected The resulting study is a vital contribution to our understanding of contested decolonization It emphasises the global connections at work and reveals the contemporary resonances of both anti colonial insurgencies and the means devised to counter them It is essential reading for students and scholars of empire decolonization and asymmetric warfare
