Crazy Horse and Custer Stephen E. Ambrose, 1986-03-01 On the sparkling morning of June 25 1876 611 men of the United States 7th Cavalry rode toward the banks of the Little Bighorn in the Montana Territory where 3 000 Indians stood waiting for battle The lives of two great warriors would soon be forever linked throughout history Crazy Horse leader of the Oglala Sioux and General George Armstrong Custer Both were men of aggression and supreme courage Both became leaders in their societies at very early ages both were stripped of power in disgrace and worked to earn back the respect of their people And to both of them the unspoiled grandeur of the Great Plains of North America was an irresistible challenge Their parallel lives would pave the way in a manner unknown to either for an inevitable clash between two nations fighting for possession of the open prairie Copyright Libri GmbH All rights reserved

Custer's Last Stand: Portraits in Time Charles A. Mills, 2014-09-18 Since his death along the bluffs overlooking the Little Bighorn River in Montana on June 25 1876 over five hundred books have been written about the life and career of George Armstrong Custer Views of Custer have changed over succeeding generations Custer has been portrayed as a callous egotist a bungling egomaniac a genocidal war criminal and the puppet of faceless forces For almost one hundred and fifty years Custer has been a Rorschach test of American social and personal values Whatever else George Armstrong Custer may or may not have been even in the twenty first century he remains the great lightning rod of American history This book presents portraits of Custer and the Battle of the Little Bighorn as they have appeared in print over successive decades and in the process demonstrates the evolution of American values and priorities

Wielding Words like Weapons Ward Churchill, 2017-04-15 Wielding Words like Weapons is a collection of acclaimed American Indian Movement activist intellectual Ward Churchill's essays in indigenism selected from material written during the decade 1995 2005 It includes a range of formats from sharply

framed book reviews and equally pointed polemics and op eds to more formal essays designed to reach both scholarly and popular audiences The selection also represents the broad range of topics addressed in Churchill s scholarship including the fallacies of archeological and anthropological orthodoxy such as the insistence of cannibologists that American Indians were traditionally man eaters Hollywood s cinematic degradations of native people questions of American Indian identity the historical and ongoing genocide of North America s native peoples and the systematic distortion of the political and legal history of U S Indian relations Less typical of Churchill s oeuvre are the essays commemorating Cherokee anthropologist Robert K Thomas and Yankton Sioux legal scholar and theologian Vine Deloria Jr More unusual still is his profoundly personal effort to come to grips with the life and death of his late wife Leah Renae Kelly thereby illuminating in very human terms the grim and lasting effects of Canada s residential schools upon the country s indigenous peoples A foreword by Seneca historian Barbara Alice Mann describes the sustained efforts by police and intelligence agencies as well as university administrators and other academic adversaries to discredit or otherwise neutralize both the man and his work Also included are both the initial stream of consciousness version of Churchill s famous or notorious little Eichmanns opinion piece analyzing the causes of the attacks on 9 11 as well as the counterpart essay in which his argument was fully developed

*A Little Matter of Genocide* Ward Churchill, 1997 Ward Churchill has achieved an unparalleled reputation as a scholar activist and analyst of indigenous issues in North America Here he explores the history of holocaust and denial in this hemisphere beginning with the arrival of Columbus and continuing on into the present He frames the matter by examining both revisionist denial of the nazi perpetrated Holocaust and the opposing claim of its exclusive uniqueness using the full scope of what happened in Europe as a backdrop against which to demonstrate that genocide is precisely what has been and still is carried out against the American Indians Churchill

lays bare the means by which many of these realities have remained hidden how public understanding of this most monstrous of crimes has been subverted not only by its perpetrators and their beneficiaries but by the institutions and individuals who perceive advantages in the confusion In particular he outlines the reasons underlying the United States s 40 year refusal to ratify the Genocide Convention as well as the implications of the attempt to exempt itself from compliance when it finally offered its endorsement In conclusion Churchill proposes a more adequate and coherent definition of the crime as a basis for identifying punishing and preventing genocidal practices wherever and whenever they occur Ward Churchill enrolled Keetoowah Cherokee is Professor of American Indian Studies with the Department of Ethnic Studies at the University of Colorado Boulder A member of the American Indian Movement since 1972 he has been a leader of the Colorado chapter for the past fifteen years Among his previous books have been *Fantasies of a Master Race* *Struggle for the Land* *Since Predator Came* and *From a Native Son*

**Clashes of Cavalry** Thom Hatch, 2020-01-28 The story of two remarkable men both natural born cavalry leaders of great courage who shared similar traits Their Civil War legacies were destined to be connected in a series of battles beginning with Brady Station where Custer's star rose rapidly at Gettysburg where Stuart's star became tarnished and continuing to Yellow Tavern where Stuart was Killed Unlike most standard biographies *Clashes of Cavalry* takes an innovative approach to chronicling the lives of these two Civil War giants by not only depicting their lives and exploits individually but also by examining the role of each in specific battles in which both participated Author Thom Hatch first sets the stage with in depth portrayals of Beauty Stuart and Fanny Custer exploring how the early years of the two future cavaliers shaped their eventual military careers Both born to conservative rural families educated at West Point and with sensitive yet outgoing personalities Custer and Stuart shared some remarkable similarities The early chapters follow the two young cavaliers through the first two years of the war leading up to the largest cavalry engagement of the century at Brandy Station in 1863 Both Custer and Stuart participated in the action that day with the twenty three year old Custer faring far better than Stuart Custer's performance earned him the attention and respect of his superiors and started him down the path that would eventually lead to his promotion Stuart However was blamed for the needless slaughter of his men by the Union's surprise attack and faulted for his overconfidence Both Custer and Stuart's careers continued through battles at Gettysburg the Bristoe Campaign and the Wilderness While Stuart was destined to fall at Yellow Tavern Custer went on to even greater success culminating with an assault on the Confederates at Appomattox Court House that essentially ended the war *Clashes of Cavalry* paints a vivid portrait of these brilliant cavalrymen Although Custer never enjoyed the same level of command as Stuart there is reason to believe that given the same opportunity he would have been equal to the task History has remembered both as gifted

horsemen and inspired leaders truly among the most celebrated heroes of the Civil War      *Why Custer Was Never Warned*
