*The Last Cowboy: A Life of Tom Landry* Mark Ribowsky, 2013-11-04 A biography of the legendary professional football coach known for his trademark fedora who spent almost thirty years taking the Dallas Cowboys from punchline to NFL glory ultimately delivering twenty consecutive winning seasons

**Hank** Mark Ribowsky, 2016-11-22 A compassionate yet clear eyed Washington Post portrait of country music s founding father and Hillbilly King Mark Ribowsky s Hank has been hailed as the greatest biography yet Library Journal starred review of the beloved icon Hank Williams a frail flawed man who had become country music s first real star instantly morphed into its first tragic martyr when he died in the backseat of a Cadillac at the age of twenty nine Six decades later Ribowsky traces the miraculous rise of this music legend from the dirt roads of rural Alabama to the now immortal stage of the Grand Ole Opry and finally to a lonely end on New Year s Day in 1953 Examining Williams s chart topping hits while also re creating days and nights choked in booze and desperation Hank uncovers the real man beneath the myths reintroducing us to an American original whose legacy like a good night at the honkytonk promises to carry on and on

*Shula* Mark Ribowsky, 2019-08-27 A Publishers Weekly Holiday Gift Guide Selection Spanning seven decades the notorious loss of Super Bowl III and an historic undefeated season with the Dolphins Shula is the definitive biography of a coaching legend Inducted into the Hall of Fame in 1997 Don Shula remains the winningest coach of all time with 347 career victories and the only undefeated season in NFL history But before he became the architect of the Dolphins dynasty Shula was a hardworking kid selling fish on the banks of Lake Erie the eldest of six children born during the Depression to Hungarian immigrant parents As acclaimed sports biographer Mark Ribowsky shows Shula met serious resistance at home when he asked to play high school football but when his parents finally relented they discovered that their son though perhaps short on the physical gifts of the truly blessed had an unmatched mind for the game s strategy and a stomach for its brutality With rugged determination the jut jawed Shula started as a defensive back in the 1950s later beginning his thirty two year coaching career as the then youngest coach ever with the Baltimore Colts The Colts had several successful years but Shula never quite recovered from the historic loss to the upstart New York Jets in Super Bowl III and when a lucrative job opened in Miami he took his talents to South Beach where he led the Dolphins to the first perfect season in NFL history Tracing Shula s singular rise from his blue collar origins to his glory days in the Miami heat Ribowsky reveals a man of grit and charisma who never lost sight of a simple creed All I ve ever done is roll up my sleeves figure out what to do and start doing it

In the Name of the Father Mark Ribowsky, 2018-08-07 The story of America s most sacred and carefully constructed football dynasty is revealed in this unflinching family portrait For generations American athletes have enjoyed the ever escalating celebrity lavished upon them when they combine on the field talent with off the field charisma but never before have we seen as transformative a sports dynasty as the Mannings a bloodline of strong arms Southern values and savvy business instincts each man compelling in his own right made whole by family But how in

just fifty years did this private trio achieve football immortality A gripping and definitive account In the Name of the Father traces Archie Peyton and Eli's roots from red clay Mississippi to the bright lights of the Super Bowl to reveal the truth of their grit and dedication their inherent ability and the drama they endured behind closed doors As New York Times Notable biographer Mark Ribowsky meticulously chronicles the road to football stardom was not paved smoothly for patriarch Archie The most celebrated and beloved athlete to emerge from tiny Drew Mississippi Archie lost his father to suicide during his heyday at Ole Miss Then despite his playing through the pain a string of surgeries prematurely ended a storied NFL career most memorably spent with the New Orleans Saints Similar savior like expectations were passed to Archie's eldest Cooper the most gifted of his brood but the shocking discovery of a spinal condition prevented Cooper from ever playing a single snap of college ball Luckily Archie had been raising all three of his sons to love the gridiron throwing deep balls to them off the front porch and there were two more heir apparents in the wings Raised watching dusty old game films in the family den Peyton was swiftly hailed as a generational talent his record breaking tenure at Tennessee paving a clear path to the NFL Winning Super Bowls with both the Indianapolis Colts and the Denver Broncos he was able to overcome a debilitating neck injury after barely being able to hold a football to eclipse Archie in football success It was Peyton who would first pair his football cachet with capitalism selecting commercials and appearances to show off his humor and expand the now ubiquitous Manning brand into mainstream popular culture And finally there was quiet Eli with an arm and a career to match his big brother's but a reserved and enigmatic affect all his own The good boy who followed his father to Ole Miss Eli entered the NFL even more carefully managed than his brother was forcing a trade when the lackluster San Diego Chargers selected him with the first pick in the draft Even with two dramatic Super Bowl wins with the New York Giants Eli's lows have been catastrophic and he has never been quite the media darling his brother is But even as their football careers wind down the power of the Manning name only grows Drawing on new interviews and research Ribowsky reveals a family of transcendent talent and intense loyalty dedicated to maintaining an all American facade that has on occasion shown cracks From the family's past steeped in problematic parts of Southern identity to locker room scandal turned lawsuit to flashes of fraternal jealousy Ribowsky leaves no stone unturned Rich in gridiron dramatics and familial intrigue In the Name of the Father is a quintessentially American saga of a multifaceted lineage that has forever changed the game New York Magazine, 1993-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Spy, 1993-03 Smart Funny Fearless It's pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant

beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump **New York Magazine** ,1993-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1993-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The New York Times Book Review ,1994-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *Dreams to Remember* Mark Ribowsky,2015-06-04 A Kirkus Reviews Best Book of the Year Nonfiction Finalist for the Marfield Prize National Award for Arts Writing Evokes the fire of Redding Ribowsky tells the story with nonstop energy while always probing for the larger social and musical pictures New York Times Book Review When he died in one of rock s string of tragic plane crashes Otis Redding was only twenty six yet already the avatar of a new kind of soul music The beating heart of Memphis based Stax Records he had risen to fame belting out gospel flecked blues in stage performances that seemed to ignite not only a room but an entire generation If Berry Gordy s black owned kingdom in Motown showed the way in soul music Redding made his own way going where not even his two role models who had preceded him out of Macon Georgia Little Richard and James Brown had gone Now in this transformative work New York Times Notable Book author Mark Ribowsky contextualizes his subject s short career within the larger cultural and social movements of the era tracing the crooner s rise from preacher s son to a preacher of three minute soul sermons And what a quick rise it was At the tender age of twenty one Redding needed only a single unscheduled performance to earn a record deal his voice so utterly unique Atlantic that it catapulted him on a path to stardom and turned a Memphis theater turned studio into a music mecca Soon he was playing at sold out venues across the world from Finsbury Park in London to his ultimate conquest the 1967 Monterrey Pop Festival in California where he finally won over the flower power crowd Still Redding was not always the affable big hearted man s man the PR material painted him to be Based on numerous new interviews and prodigious research *Dreams to Remember* reintroduces an incredibly talented yet impulsive man one who once even risked his career by shooting a man in the leg But that temperament masked a deep vulnerability that was only exacerbated by an industry that refused him a Grammy until he was in his grave even as he shaped the other Stax soul men

around him like Wilson Pickett Sam and Dave and Booker T and The MG's As a result this requiem is one of great conquest but also grand tragedy a soul king of truth a mortal man with an immortal voice and a pain in his heart Now he and the forces that shaped his incomparable sound are reclaimed giving us a panoramic of an American original who would come to define an entire era yet only wanted what all men deserve a modicum of respect and a place to watch the ships roll in and away again New York Magazine ,1993-03-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1994-05-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York ,2004 **Media Circus** Howard Kurtz,1994 Named America's Best Media Reporter by the American Journalism Review Revised and Updated Updated with a New Introduction by the Author From his front row seat as the press critic for The Washington Post Howard Kurtz has chronicled the press's sorry record in covering news politics and scandal In Media Circus he takes readers behind the scenes to show how newspapers have bungled so many important stories from the Gulf War and Jennifer Flowers to Clarence Thomas and Zoe Baird including a new chapter specially written for this edition on the roller coaster coverage of the Clinton White House Taking on sacred cows even in his own newsroom Kurtz leaves no doubt why he is regarded as the best on his beat **The Posen Library of Jewish Culture and Civilization, Volume 9** Samuel D. The Death of a Prophet Stephen J. Shoemaker,2011-11-29 The oldest Islamic biography of Muhammad written in the mid eighth century relates that the prophet died at Medina in 632 while earlier and more numerous Jewish Christian Samaritan and even Islamic sources indicate that Muhammad survived to lead the conquest of Palestine beginning in 634 35 Although this discrepancy has been known for several decades Stephen J Shoemaker here writes the first systematic study of the various traditions Using methods and perspectives borrowed from biblical studies Shoemaker concludes that these reports of Muhammad s leadership during the Palestinian invasion likely preserve an early Islamic tradition that was later revised to meet the needs of a changing Islamic self identity Muhammad and his followers appear to have expected the world to end in the immediate future perhaps even in their own lifetimes Shoemaker contends When the eschatological Hour failed to arrive on schedule and continued to be deferred to an ever more distant point the meaning of Muhammad s message and the faith that he established needed to be fundamentally rethought by his early followers The larger purpose of *The Death of a Prophet* exceeds the mere possibility of adjusting the date of Muhammad s death by a few years far more important to Shoemaker are questions about the manner in which Islamic origins should be studied The difference in the early sources affords an important opening through which to explore the nature of primitive Islam more broadly Arguing for greater methodological unity between the study of Christian and Islamic origins Shoemaker emphasizes the potential value of non Islamic sources for reconstructing the history of formative Islam
