Created Equal Alma Lutz,1974 Created Equal Alma Lutz,1974 *The Political Thought of Elizabeth Cady Stanton* Sue Davis,2010-06-04 Elizabeth Cady Stanton 1815 1902 was not only one of the most important leaders of the 19th century women s rights movement but was also the movement s principal philosopher Davis argues that Stanton s work reflects the tapestry of American political culture in the second half of the 19th century *Reader's Guide to Women's Studies* Eleanor Amico,1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

Victoria Woodhull's Sexual Revolution Amanda Frisken,2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with the full meaning of equality after the Civil War A sometime collaborator with Susan B Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women s sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over sexuality and women s rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation mongering press she made the exposure of others secrets a powerful tool of social change Woodhull s political ambitions became inseparable from her sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women s rights activist discovering Woodhull s previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century **The Feminist Takeover** Betty

Steele,1987-03-03 The Feminist Takeover chronicles the rapid growth of the Women s Movement over the past two decades It evaluates the movement forcefully and honestly by looking at its history and the radical changes it has wrought on society today The author asks us to re examine assumptions on which most of us have been raised and to consider what we stand to lose if we do not turn back the feminist tide Women of Liberty Steve J. Shone,2019-10-01 Steve Shone s Women of

Liberty explores the many overlaps between ten radical feminist and anarchist thinkers Tennie C Claflin Noe It Louise Michel Rose Pesotta Margaret Sanger Elizabeth Cady Stanton Mollie Steimer Lois Waisbrooker Mercy Otis Warren and Victoria C Woodhull In an age of great and understandable dissatisfaction with governments around the world Shone illuminates both the lost wisdom of the anarchists and the considerable contribution of women to intellectual thought influences that are currently missing from many classes documenting the history of political theory *Freeing the Female Body* Fan Hong,2013-01-11 This collection records the bravery of these forgotten inspirational figures whose determination challenged and overcame convention custom and prejudice to free women from the ranks of the sexualized controlled and oppressed

demonstrates that the Woman s Bible itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts *Catalogs of the Sophia Smith Collection, Women's History Archive, Smith College, Northampton, Massachusetts: Subject catalog* Sophia Smith Collection,1975 **The Life and Death of the Radical Historical Jesus** David Burns,2013-02-28 This unconventional cultural history explores the lifecycle of the radical historical Jesus a construct created by the freethinkers feminists socialists and anarchists who used the findings of biblical criticism to mount a serious challenge to the authority of elite liberal divines during the Gilded Age and Progressive Era **Handbook of Facts on Women Workers** United States.
