Job Reynold Levy, 2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York Philharmonic's dalliance with Carnegie Hall Yet despite these and other

challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination. By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences. *Told Me Not to Take That Job* is more than a memoir of life at the heart of one of the world's most prominent cultural institutions. It is also a case study of leadership and management in action. How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account. **ARNOVA News**, 2000 **The British National Bibliography** Arthur James Wells, 2001 *Books in Print Supplement*, 2002 **Bibliographic Guide to Psychology** New York Public Library. Research Libraries, 2000 **Creating Caring and Capable Boards** Katherine Tyler Scott, 2000-02-22 This book captures exquisitely the heart mind and spirit of leadership. With powerful insight and grace Katherine Tyler Scott shows us how we can recover that which is most precious and vulnerable in our society: trust. *Creating Caring and Capable Boards* will inspire anyone seeking to create meaning and value through leadership. It's a must read. Ronald A. Heifetz, director, Leadership Education Project, Harvard University. This book will aid organizations in probing beneath the surface of board work to build leadership based on the convergence of personal and organizational values. Eugene R. Tempel, executive director, Indiana University Center on Philanthropy. A valuable practical book filled with wisdom that demonstrates how the vision, depth, education and foresight of the board as well as its commitment to the organization's mission are critical to success. Lorraine Matusak, senior leadership scholar, Burns Academy of Leadership, University of Maryland and president, LarCon Associates. *Creating Caring and Capable Boards* is for the millions of people who serve on nonprofit boards and for the executive staff who work with those boards. It offers readers a new and proven model of board leadership. Based on more than ten years of practical experience, this step by step process can help board members to refine their understanding of the organization, strengthen their commitment to mission and goals and improve their ability to lead cohesively and effectively. Author Katherine Tyler Scott explores the historical context of board service, explains the duties of board trustees and offers straightforward exercises to help trustees fulfill their unique roles. Much more than a guide, this book invites boards to renew their commitment to improving the social sector through caring and competent leadership. **Books In Print 2004-2005** Ed Bowker, Staff, Staff Bowker, Ed, 2004 **Christian Advocate**, 1886 **Bulletin of the Atomic Scientists**, 1970-12 The *Bulletin of the Atomic Scientists* is the premier public resource on scientific and technological developments that impact global security.
