Reception of Northrup Frye, 2021-09-23 The Reception of Northrup Frye takes a thorough accounting of the presence of Frye in existing works and argues against Frye's diminishing status as an important critical voice **Special Bibliography Series** United States Air Force Academy. Library, 1998 *U.S. National Interests and the Western Hemisphere* Frances Scott, 1998 **Special Bibliography Series**, 1957 *Screening Culture* Heather Norris Nicholson, 2003-01-01 The lives of Indigenous peoples have long been framed for the outside world by others' cinematic gaze. But during the past thirty years North America's Indigenous image makers, particularly in Canada, have used the changing technologies of film, video, television, and computer to present their peoples' histories, identities, and perspectives. This edited collection of essays, conversations, and interviews combines Indigenous and non-Indigenous voices as it sets changing representations of Indigenous people on screen against broader socio-cultural, ideological, and economic considerations *Alliance and Illusion* Robert Bothwell, 2011-11-01 Alliance and Illusion is the definitive assessment of the domestic and international aspects of Canadian foreign policy in the modern era. Robert Bothwell provides nuanced studies of Canada's leaders and discusses international currents that drove Canadian external affairs from American influence over Vietnam and the draft dodgers to the French case of de Gaulle's eruption into Quebec in 1967. This definitive recounting and assessment of Canadian foreign policy in the modern era fills a crucial gap in Canadian history and provides invaluable context for understanding Canada's present-day foreign policy dilemmas *The Formation and Maintenance of the Canada-United States Border in the St. Mary's River and Lake Huron Borderlands, 1780-1860* Paul Andrew Demers, 2001 **The Canadian Historical Review**, 2000 **GRADIVA JOURNAL OF CONTEMPORARY THEORY AND PRACTICE**, 2000 **Australia and Canada in Afghanistan** Jack Cunningham, William Maley, 2015-05-02 Following the attacks of September 11, 2001, Australia and Canada joined the U.S. and other Western allies in attacking al-Qaeda bases in Afghanistan. Using the hooks of murder, execution, assassination, and suicide, Dimitry Anastakis introduces readers to the full scope of post-Confederation Canadian history. Beginning with the assassination of Thomas D'Arcy McGee, Anastakis recounts the deaths of famous Canadians such as Louis Riel, Tom Thomson, and Pierre Laporte. He also introduces lesser-known events such as the execution of shell-shocked deserter Pte Harold Carter during the First World War and the suicide of suspected communist Herbert Norman in Cairo during the Cold War. The book concludes with recent Canadian deaths, including the suicides of Amanda Todd and Rehtaeh Parsons as a result of cyberbullying. Complementing the chapters are short vignettes, Murderous Moments, and Tragic Tales that point to broader

themes and issues The book also contains a number of Active History exercises such as activities assignments and primary document analyses A timeline 24 images and further reading suggestions are included America, History and Life ,2001 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Subject Guide to Books in Print** ,1991
