Creating Customer Evangelists:

Creating Customer Evangelists Ben McConnell, 2007 Authors McConnell and Huba know how to take a company's best customers and turn them into influential loyal and enthusiastic evangelists. Their book explains the six tenets of customer evangelism, why they work, and how readers can use them in their own marketing efforts. **Creating Customer Evangelists** Jackie Huba, Ben McConnell, 2012-08 When customers are truly thrilled about their experience with a product or service, they have the potential to become one of its influential evangelists. Savvy marketing professionals know that this group of true believers can be leveraged as a potent force to build word of mouth that leads to new customers. **Creating Customer Evangelists** explains how to develop marketing and sales strategies that create communities of passionate customers. By cultivating a dialogue and then creating emotion-driven relationships with customers, companies can inspire grassroots support. **Creating Customer Evangelists** shows how to convert good customers into exceptional ones who willingly spread the word. Lessons of customer evangelism related through real-life company stories make this book an absorbing read. Harvard Business School I'll admit it: at first I was a skeptic. But halfway through this savvy and compelling book, I became a convert. And by the time I'd turned the last page, I'd become an evangelist. Say it with me: brothers and sisters, customer evangelism is the future. Dan Pink, author of *Drive* and *A Whole New Mind*. An inspiring and thorough book packed with real-life examples, action items, and insight. Emanuel Rosen, author of *The Anatomy of Buzz*. Jackie Huba and Ben McConnell, authors of *Citizen Marketers*, popularized the term customer evangelism. The Seth Godin-edited New York Times bestseller *The Big Moo* featured them among 33 of the world's smartest business thinkers. **Creating Customer Evangelists** Ben McConnell, Jackie Huba, 2002-11-12 For the first time in paperback, a revised edition of the book that launched the term customer evangelism and inspired the creation of an industry. Updated with new statistics and figures, this landmark book has shown countless companies how to harness the power of evangelism marketing and increase customer loyalty, sales, and profitability. When customers are truly thrilled about their experience with a product or service, they become outspoken evangelists for a company. For most businesses, customers are loyal to people, not brands. **Creating a culture of not only loyalty but belief is the formula for creating authentic and powerful word of mouth.** By researching companies with dedicated groups of outspoken, buzz-spreading evangelists, authors Ben McConnell and Jackie Huba distill the formulas of the successful companies into the six tenets of customer evangelism. **Creating Customer Evangelists** explains why many traditional loyalty programs fail and how organic word-of-mouth programs often create communities of influencers who accelerate a company's success. **Creating Customer Evangelists** is the bible for any business hoping to convert good customers into exceptional ones who willingly spread the word. **Creating Customer Evangelists**, 2002 Evangelism marketing is the process of getting buyers to believe in a product or service so much that they are compelled to tell others about it. Here's how some of the most successful organizations have transformed customers into passionate and influential evangelists. **Creating Donor**
