[Performance Improvement in Construction Management](#) Brian Atkin,Jan Borgbrant,2009-09-25 This collection of reviews bridges the gap between construction research and practice under three major themes innovation organisation and human behaviour and methods and tools Many of the authors have worked in technology transfer as change agents resolving industrially relevant problems by using scientifically based research The book reveals the source of ideas data and results to provide a useful resource for researchers academics and graduate students and a challenging guide for senior industry managers *Wild Things* Judy Attfield,2020-08-20 What do things mean What does the life of everyday objects reveal about people and their material worlds Has the quest for the real thing become so important because the high tech world of total virtuality threatens to engulf us This pioneering book bridges design theory and anthropology to offer a new and challenging way of understanding the changing meanings of contemporary human object relations The act of consumption is only the starting point of object s lives Thereafter they are transformed and invested with new meanings and associations that reflect and assert who we are Defining designed things as things with attitude differentiates the highly visible fashionable object from ordinary aretefacts that are too easily taken for granted Through case studies ranging from reproduction furniture to fashion and textiles to clutter the author traces the connection between objects and authenticity ephemerality and self identity Beyond this she shows the materiality of the everyday in terms of space time and the body and suggests a transition with the passing of time from embodiment to disembodiment [New York Magazine](#) ,1988-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1988-05-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Building News and Engineering Journal** ,1874 **Cumulated Index Medicus** ,1977 [Illustration and Ornamentation in the Iberian Book World, 1450-1800](#) Alexander Samuel Wilkinson,2021-09-20 In the early modern Iberian book world as in the European book world more broadly most works issuing from the presses contained some form of ornamentation The nineteen contributions presented here cast light on these visual elements on the production and ownership of printers materials and on the frequency with which these materials were exchanged and shared A third of all items printed in the early modern Iberian

world carried no imprint at all for these items woodblocks and engravings can assist scholars seeking to identify their place of origin or their date of publication As importantly decoration and illustration in early print can also reveal much about the history of the graphic arts and evolving forms of cultural representation **House & Garden** ,2002 **House Beautiful** ,1932 **Popular Science** ,2000-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Gender and Craftwork in Rural Society** Nidhi Gaur,2024-12-11 This book examines the potential of craft centred education to influence the gender socialisation of rural children through a philosophical sociological and psychological lens It discusses Gandhi s vision of craft centred education and situates its place within his concept of swaraj The volume looks at the construction of gender at home students participation in crafts at school and parental perception of craft centred education It studies the students experience its impact on their intellectual and physical development and the nature of the interaction between the socialisation of children at home and in school An important contribution to the study of Gandhian practices the book will be of considerable interest to students and researchers of gender studies education non violence peace studies and South Asian studies **Lectures and Essays on Natural Theology and Ethics** William Wallace,1898 **James and Philip Van Artevelde** William James Ashley,2025-10-05 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **James and Philip Van Artevelde** William James Ashley,1883 **Readers' Guide to Periodical Literature** ,1911 **Avery Index to Architectural Periodicals** Avery Library,1997 Country Life ,1989
