Crashing The Borders How Basketball Won The World And Lost Its Soul At Home:

Crashing the Borders Harvey Araton,2007-11-01 Unflinching timely and authoritative *Crashing the Borders* is the beginning of a much needed conversation about sport and American culture For those who care about both this book will be the must read work of the season The game of basketball has gone global and is now the world s fastest growing sport Talented players from Europe Asia South America and Africa are literally crashing the borders as the level of their game now often equals that of the American pros who no longer are sure winners in international competition and who must compete with foreign players for coveted spots on NBA rosters Yet that refreshing world outlook stands in stark contrast to the game s troubled image here at home The concept of team play in the NBA has declined as the league s marketers and television promoters have placed a premium on hyping individual stars instead of teams and the players have come to see that big buck contracts and endorsements come to those who selfishly demand the spotlight for themselves In this taut simmering book Harvey Araton points his finger at the greed and exploitation that has weakened the American game and opens a discussion on the volatile undiscussed subject that lies at the heart of basketball s crisis race It begins he argues at the college level where too often undereducated inner city talents are expected to perform for the benefit of affluent white crowds and to fill the coffers of their respective schools in what Araton calls a kind of modern day minstrel show Harvey Araton knows the players well enough to see beyond the stereotypes and by combining passion and knowledge he calls on the NBA to heal itself and with a hopeful sense of the possible he points the way to a better future

Kings of the Garden Adam J. Cribblez,2024-04-15 In *Kings of the Garden* Adam J Cribblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair *Kings of the Garden* details how the Knicks fortunes and those of New York City were inextricably linked As the team s Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Cribblez s fascinating account of the era shows that even though the team s efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time

Give and Go Thomas Mc Laughlin,2008-03-07 From the city courts of Harlem to the church halls of Indiana pickup basketball culture is intensely local and reflects the histories and identities of its players In *Give and Go* Thomas Mc Laughlin examines how players put into play a loose set of

values and ethical styles that influence how they think feel move and relate to others within the community A lifelong pickup ball player one of modest skills but serious intent Mc Laughlin has internalized and embodied the culture of the game and he writes as a participant in the basketball community putting into words what his body already knows This book reflects the author s personal experience and observation of the game through the lens of contemporary cultural theory and also examines the representation of basketball culture in popular media including the films Hoop Dreams Hoosiers and White Men Can t Jump As only an insider can Mc Laughlin takes readers onto the court and into the minds of players as they negotiate the culture of the game

From Hang Time to Prime Time Pete Croatto,2020-12-01 Perfect for fans of Moneyball and The Book of Basketball this vivid thoroughly entertaining and well researched book explores the NBA s surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution Far beyond simply being a sports league the NBA has become an entertainment and pop culture juggernaut From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television film fashion lines and more there is an inseparable line between sports and entertainment But only four decades ago this would have been unthinkable Featuring writing that leaps off the page with energy and wit journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976 revolutionizing the NBA s image He pays homage to legendary talents including Julius Dr J Erving Magic Johnson and Michael Jordan and reveals how two polar opposite rookies Larry Bird and Magic Johnson led game attendance to skyrocket and racial lines to dissolve Croatto also dives into CBS s personality driven coverage of key players as well as other cable television efforts which launched NBA players into unprecedented celebrity status Essential reading whether you re a casual or longtime fan From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history

Rivals David K. Wiggins,R . Pierre Rodgers,2012-01-01 The sixteen original essays in this collection cover influential and famous rivalries from a variety of sports including track and field golf boxing basketball tennis ice skating baseball football soccer and more The essays are diverse but together they illustrate what is common to any rivalry equally matched opponents that often have decidedly different backgrounds styles and personalities These differences may center on race and culture political and societal ideologies personality geography or religion a mix intensified by fans and the media From highly publicized and emotionally charged individual competitions to bitterly fought team contests Rivals illuminates what one of a kind opponents and the passion they inspire tell us about ourselves and our society

After Artest David J. Leonard,2012-05-01 Explores how the NBA moved to govern black players and the expression of blackness after the Palace Brawl of 2004

Latino History and Culture David J. Leonard,Carmen R. Lugo-Lugo,2015-03-17 Latinos are the fastest growing population in America today This two volume encyclopedia traces the history of Latinos in the United States from colonial times to the present focusing on their impact on the nation in its historical development and current culture Latino

History and Culture covers the myriad ethnic groups that make up the Latino population. It explores issues such as labor, legal and illegal immigration, traditional and immigrant culture, health, education, political activism, art, literature, and family, as well as historical events and developments. A-Z entries cover eras, individuals, organizations, and institutions, critical events in U.S. history, and the impact of the Latino population, communities, and ethnic groups, and key cities and regions. Each entry includes cross references and bibliographic citations, and a comprehensive index and illustrations augment the text.

Sports Fans, Identity, and Socialization Exploring the Fandemonium Adam C. Earnheardt, Paul M. Haridakis, Barbara S. Hugenberg, 2012-01-01. Once deemed an unworthy research endeavor, the study of sports fandom has garnered the attention of seasoned scholars from a variety of academic disciplines. Identity and socialization among sports fans are particular burgeoning areas of study among a growing cadre of specialists in the social sciences. *Sports Fans Identity and Socialization*, edited by Adam C. Earnheardt, Paul Haridakis, and Barbara Hugenberg, captures an eclectic collection of new studies from accomplished scholars in the fields such as communication, business, geography, kinesiology, media, and sports management and administration, using a wide range of methodologies including quantitative, qualitative, and critical analyses. In the communication revolution of the twenty-first century, the study of mediated sports is critical. As fans use all media at their disposal to consume sports and carry their sports viewing experience online, they are seizing the initiative and asserting themselves into the mediated sports dissemination process. They are occupying traditional roles of consumers/receivers of sports but also as sharers and sports content creators. Fans are becoming pseudo sports journalists. They are interpreting mediated sports content for other fans. They are making their voice heard by sports organizations and athletes. Mediated sports, in essence, provide a context for studying and understanding where and how the communication revolution of the twenty-first century is being waged. With their collection of studies by scholars from North America and Europe, Earnheardt, Haridakis, and Hugenberg illuminate the symbiotic relationship among and between sports organizations, the media, and their audiences. *Sports Fans Identity and Socialization* spurs both the researcher and the interested fan to consider what the study of sports tells us about ourselves and the society in which we live.

Fame to Infamy David C. Ogden, Joel Nathan Rosen, 2011-02-03. *Fame to Infamy: Race, Sport, and the Fall from Grace* follows the paths of sports figures who were embraced by the general populace but who, through a variety of circumstances, real or imagined, found themselves falling out of favor. The contributors focus on the roles played by athletes, the media, and fans in describing how once esteemed popular figures find themselves scorned by the same public that at one time viewed them as heroic, laudable, or otherwise respectable. The book examines a wide range of sports and eras and includes essays on Barry Bonds, Kirby Puckett, Mike Tyson, Mark McGwire, and Sammy Sosa, Branch Rickey, Joe Louis, and Max Schmeling, Michael Jordan, Wilt Chamberlain, and Jim Brown, as well as an afterword by noted scholar Jack Lule and an introduction by the editors. *Fame to Infamy* is an interdisciplinary volume encompassing numerous approaches in tracing the evolution of each subject's reputation and shifting public image. **The**

Rhetoric of American Exceptionalism Jason A. Edwards, David Weiss, 2014-01-10 The American experience has been defined in part by the rhetoric of exceptionalism This book of 11 critical essays explores the notion as it is manifested across a range of contexts including the presidency foreign policy religion economics American history television news and sports The idea of exceptionalism is explored through the words of its champions and its challengers past and present By studying how the principles of American exceptionalism have been used adapted challenged and even rejected this volume demonstrates the continued importance of exceptionalism to the mythology sense of place direction and identity of the United States within and outside of the realm of politics Instructors considering this book for use in a course may request an examination copy here

Sports Mania Lawrence W. Hugenberg, Paul M. Haridakis, Adam C. Earnheardt, 2014-01-10 Leading scholars in sports communication tackle a wide range of subjects in these essays including the ways in which people root for their teams the consumption of sports information and the uses of technology to cultivate fan communities Taking an interdisciplinary approach through the fields of communication psychology and telecommunications this collection explores modern fans their motives and culture and their identification with sports and individual teams Instructors considering this book for use in a course may request an examination copy here

[The ABC's of Strategic Communication](#) M. Larry Litwin, 2007-12 This Book portrays God's calling of an Afro American lad from the segregated Southern USA in 1957 and elevated him and his wife Dorothy to become two of the most outstanding Black Pioneer Missionaries in World Missions today They have evangelized and planted churches in over 95 countries and even more extensively in the 23 countries where Christians in Action Missions has ministries You will experience glimpses of fifty years of the Taylor's life and ministry beginning with Elgin's call to missions in 1957 while in the US Marines It Moves to their service as the First Black Missionaries to Japan 1959-64 Elgin Pastored studied Japanese and attended The University of Maryland earned his BA degree and later earned his MTh in California Dorothy a high school teacher taught at Okinawa Christian School and ran the youth ministry They transferred to Nigeria Africa but due to a civil war were evacuated to London England where they founded a Bible College an Evangelical Church and directed CinA's Europe Africa and India Ministries for 15 years Returning to America 1980 they worked at the US Center for World Missions Pasadena CA with Dr Ralph Winters In 1982 Elgin was elected CEO of CinA Missions International the only known Afro American Director of a multi ethnic international cross cultural ministry during this time The book closes with the spotlight on their present involvement in Ghana West Africa where they lead medical outreach teams build churches and schools bore fresh water wells and hold leadership seminars They were appointed Chief and Queen Mother in the Broang Ahafo Region by the King Ohmahene Okatakayie Kodom IV in 2001 Today they are blessed with much remaining fruit in both the low places of the streets to the palaces of Kings to God be the Glory

The New York Times Index, 2005

Ball Don't Lie Santiago Colás, 2016-04-05 Pro basketball player Rasheed Wallace often exclaimed the pragmatic truth Ball don't lie during a game It is a protest against a referee's bad calls But the

slogan which originated in pickup games brings the reality of a racialized urban playground into mainstream American popular culture In *Ball Don t Lie* Yago Col s traces the various forms of power at work in the intersections between basketball and language from the game s invention to the present day He critiques existing popular myths concerning the history of basketball contextualizes them and presents an alternative history of the sport inspired by innovations Col s emphasizes the creative prerogative of players and the ways in which their innovations shape and are shaped by broader cultural and social phenomena *Ball Don t Lie* shows that basketball cannot be reduced to a single fixed or timeless essence but instead is a continually evolving exhibition of physical culture that flexibly adapts to and sparks changes in American society **Great Athletes** ,2010 [Sports and Nationalism in Latin / o America](#) H. Fernández L’Hoeste,R. Irwin,J. Poblete,2015-05-06 This collection interrogates sports in Latin America as a key terrain in which nation is defined and populations are interpellated through emotionally charged practices state policy media representations and sports play itself by professionals national teams and amateurs of inclusion and exclusion **American History through American Sports** Bob Batchelor,Danielle Sarver Coombs,2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history *American History through American Sports* From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author s analysis **Under the Boards** Jeffrey Lane,2007-05-23 The true story of basketball lives as much off the court as on the hardwood it is about politics and race and cultural clashes as heated as a final four buzzer beater This story unfolds in all its gritty and colorful detail in *Under the Boards* From the birth of the Larry Bird legend to the ascendancy of a hip hop infused NBA to the backlash against bling and the contemporary American game Jeffrey Lane traces the emergence of a new culture of basketball complete with competing values attitudes aesthetics and racial and economic tensions The revolution Lane describes resonates in the way Latrell Sprewell s assault on his coach forever changed NBA power relations in legendary coach Bob Knight s entanglement in high school basketball history in the dramatic shift in attitude toward European players in the impact of the deaths of two rappers on rookie Allen Iverson s career and in conflicting cultural models rooted in ideals of black masculinity and white nostalgia In these moments Lane s book documents a profound change in basketball and in American culture over the last thirty years **African Americans and Popular Culture** Todd Boyd,2008-10-30 The

African American influence on popular culture is among the most sweeping and lasting this country has seen. Despite a history of institutionalized racism, black artists, entertainers, and entrepreneurs have had enormous impact on American popular culture. Pioneers such as Oscar Micheaux, Paul Robeson, Satchel Paige, Josh Gibson, Langston Hughes, Bill Bojangles Robinson, and Bessie Smith paved the way for Jackie Robinson, Nina Simone, James Baldwin, Bill Russell, Muhammad Ali, Sidney Poitier, and Bill Cosby, who in turn opened the door for Spike Lee, Dave Chappelle, Dr. Dre, Jay-Z, Tiger Woods, and Michael Jordan. Today, hip hop is the most powerful element of youth culture; white teenagers outnumber blacks as purchasers of rap music; black-themed movies are regularly successful at the box office; and black writers have been anthologized and canonized right alongside white ones. Though there are still many more miles to travel and much to overcome, this three-volume set considers the multifaceted influence of African Americans on popular culture and sheds new light on the ways in which African American culture has come to be a fundamental and lasting part of America itself. To articulate the momentous impact African American popular culture has had upon the fabric of American society, these three volumes provide analyses from academics and experts across the country. They provide the most reliable, accurate, up-to-date, and comprehensive treatment of key topics, works, and themes in African American popular culture for a new generation of readers. The scope of the project is vast, including popular historical movements like the Harlem Renaissance, the legacy of African American comedy, African Americans and the Olympics, African Americans and rock n roll, more contemporary articulations such as hip hop culture and black urban cinema, and much more. One goal of the project is to recuperate histories that have been perhaps forgotten or obscured to mainstream audiences and to demonstrate how African Americans are not only integral to American culture but how they have always been purveyors of popular culture. *Public Library Core Collection* John

Greenfieldt, Patrice Bartell, 2008. Wilson's Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience.
