Crashing America:

Crashing America Adam Cole, 2003-07 Ever wish you could just go Give up everything and hit the road That s what Troy Paddock did Following in the footsteps of Jack Kerouac and Hunter S Thompson this Colorado college kid grabbed one willing best friend Vinny del Sparrow and shot off in every direction of the U S Their only purpose was to party like rock stars A desert rave New York clubs Mardi Gras in the Big Easy were all part of the duo s wild ride But such an adventure filled romp does not go without a tiny bit of misadventure and mishap Extreme weather car troubles and cash shortages make the search for the party interestingly challenging Told through Paddock s eyes the reader is let into the thoughts and insights of someone whirling through life without a single care for reality and an intense lust for excitement At points the endless partying catches up with our spontaneous hero but only briefly before he is able to wrestle away from its grasp **Crashing**

America Katia Noyes, 2005 A debut novel about seeking stillness through ceaseless movement Torn between restlessness and an overwhelming longing for a sense of home Girl the 17 year old street punk narrator leaves San Francisco for the heartland in search of a place where she can breathe **America Rediscovered** Robert Garrett with Robert

Watkins, 2025-09-09 America must rediscover its national heritage rooted in the Enlightenment Western Christianity and classical Greece and Rome We now live in an age when traditional values and Western civilization itself are under assault from nearly every side This book seeks to celebrate the American story so rarely taught today by highlighting how it began where we are presently and answers for the future Its message is for all people of goodwill regardless of race political party or religious persuasion It acknowledges God because that much should be self evident from American history and the founding documents By what authority did the colonists dare to challenge the King of England George III and notify him that they had seized his thirteen colonies The Declaration of Independence answers that question by appealing to the laws of nature and nature s God the Creator The authors of America Rediscovered believe that readers may find understanding hope and answers in the postmodern age if we seek to strengthen traditional foundations and build a more perfect union **God**
