1861~1865 (Abridged, Annotated) Charles D. Field,1987-01-01 One of the charms of Charles Field s account of his time as a Union soldier in the American Civil War is its utter simplicity He was a typical soldier a non commissioned officer of limited education His phrasing and misspellings for some reason printed in the original manuscript lend an authenticity to his stories Field saw plenty of action had hair raising close calls and lived to tell about it in this 1908 publication After the war he married raised a family and farmed in Illinois and Iowa Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print book is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE or download a sample **Chilcotin** Veera Bonner,Irene E. account we possess of Gen George Crook s Powder River Expedition against the Sioux and Cheyenne Indians which culminated in Col Ranald S Mackenzie s resounding destruction of Dull Knife s forces on November 25 1876 Editor Wayne R Kime with his customary flair has transcribed the journals from Dodge s pocket size notebooks and has provided a pertinent introduction and well crafted thoroughly illuminating annotations Dodge s journals will clearly prove useful to specialists in U S Indian relations and the Great Sioux War but they will also appeal to a variety of readers because of Dodge s lively style and his range of subject matter With vigorous intelligence he describes such topics as General Crook as a military leader and strategist the merits of infantry versus cavalry against the Plains Indians the effects of subzero weather in Wyoming on a large army far from its sources of supply and of course the elusiveness of military glory *Vocabulary of the Kiowa Language* John Peabody Harrington, 1928
