Aaron Latham

Crazy Sundays F Scott Fitzgerald In Hollywood:

The Cambridge Companion to F. Scott Fitzgerald Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald's career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work *Crazy Sundays* Aaron Latham, 1972 The story of Scott and Zelda Fitzgerald is as fascinating and as tragic as the most flamboyant fiction Now in *Crazy Sundays* Aaron Latham has written the first detailed account of Fitzgerald in Hollywood a close up portrait of the author of *The Great Gatsby* and *The Last Tycoon* in his legendary last years Back cover *A Study Guide for F. Scott Fitzgerald's "Crazy Sunday"* Gale, Cengage Learning, *Critical Companion to F. Scott Fitzgerald* Mary Jo Tate, 2007 *The Great Gatsby* and its criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel *Critical Companion to F. Scott Fitzgerald in the Marketplace* Matthew Joseph Bruccoli, Judith Baughman, 2009 This is an illustrated compendium charting the rise in Fitzgerald appreciation among his readers and collectors As a student in the 1950s Matthew J Bruccoli began collecting books by F Scott Fitzgerald a practice that culminated in the development of the Matthew J and Arlyn Bruccoli Collection of F Scott Fitzgerald at the University of South Carolina an unrivaled research archive of materials by and relating to the now celebrated author In *F Scott Fitzgerald in the Marketplace* Bruccoli chronicles Fitzgerald's posthumous rise in literary reputation and the corresponding rise in collectibility of all things Fitzgerald as evidenced by listings from auction house and antiquarian bookseller catalogues Of keen interest to bibliophiles and scholars of American literature this volume serves as a thoughtful examination of the revival of interest in Fitzgerald's life and work over the past seven decades Bruccoli approaches the Fitzgerald legacy as a scholar and a bookman charting the mutually reinforcing relationship between the growth of academic interest in the writer following World War II and the onset of serious Fitzgerald collecting With new scholarship and new audiences of academic and general readers came renewed efforts to acquire primary source materials as research documents and as collectible artifacts Galley's manuscripts correspondence business documents screenplays inscribed copies dust jacket variants and multiple editions of every work began to emerge for sale and with escalating prices First edition copies of Fitzgerald novels now sell for significantly more than he earned for writing them In his account of the development and sale of Fitzgerald materials Bruccoli offers a chronology of dates and dollars proving his statement in the

introduction that literature runs on money The 350 images included here from auction and dealer catalogues illustrate sought after individual items and distinguished collections the catalogue entries also document the increasing prices of Fitzgerald materials in the collector marketplace As many of the items described can no longer be located these listings serve as a historical record of once circulating Fitzgerald items In addition to the insights offered on the history of Fitzgerald collecting and by extension on book collecting in general this volume grants readers a vivid portrait of Brucoli Fitzgerald s staunchest literary advocate his most devoted collector and a man for whom writers matter more than anyone else because books and literature matter more than anything else *F. Scott Fitzgerald Remembered* Jackson R Bryer, Richard Reisinger, 2025-02-04 Personal reminiscences of Fitzgerald many previously unpublished by those who knew him allowing the reader to construct a composite biography Fitzgerald once wrote There never was a good biography of a good novelist There couldn t be He is too many people if he s any good Since his untimely death in 1940 Fitzgerald has been scrutinized in nine major biographies each of which seeks to construct a single narrative that conveys the biographer s interpretation of Fitzgerald In contrast *F Scott Fitzgerald Remembered* presents over sixty first hand accounts of Fitzgerald many of them previously unpublished by those who knew him at all stages of his life from his time as an adolescent in St Paul and an undergraduate at Princeton through his meeting and marrying Zelda Sayre and his first successes the high points and increasing dissipation of the 1920s in New York Paris and the Riviera and the 1930s in Baltimore and North Carolina to his final years in Hollywood The guiding principle is not to provide a single interpretation of Fitzgerald s life but to present these accounts in all their variety and even contradiction inviting the reader to form a biographical portrait based upon them Making these reminiscences available to scholars students and fans of Fitzgerald is particularly timely given the centenary of the publication of *The Great Gatsby* in 2025 *The Cambridge Companion to F. Scott Fitzgerald* Michael Nowlin, 2023-11-09 This book provides an authoritative overview of F Scott Fitzgerald s fiction and career featuring essays by leading Fitzgerald specialists **Bloom's how to Write about F. Scott Fitzgerald** Kim Becnel, 2008 Known for his masterwork *The Great Gatsby* a searing criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of creating what many readers and scholars consider to be the great American novel Bloom s *How to Write about F Scott Fitzgerald* offers valuable paper topic suggestions clearly outlined strategies on how to write a strong essay and an insightful introduction by Harold Bloom on writing about Fitzgerald This new volume is designed to help students develop their analytical writing skills and critical comprehension of this modern master and his major works **F. Scott Fitzgerald on Silent Film** Martina Mastandrea, 2022-08-15 *F Scott Fitzgerald on Silent Film* recalibrates the celebrated author s early career and brings fresh understanding to the life of one of America s truly great literary figures Scholars have previously focused on Fitzgerald s connection with Hollywood when he worked in Tinseltown as a screenwriter in the 1930s However this ground breaking research reveals the key role that Silent Hollywood played in establishing Fitzgerald s burgeoning reputation in the early to

mid 1920s Vividly written and drawing on a wealth of new sources this book documents Martina Mastandrea's exciting discovery of the first film ever adapted from a work by Fitzgerald **Cinematic Fictions** David Seed, 2012-01-01 The phrase cinematic fiction has now been generally accepted into critical discourse but is usually applied to post war novels This book asks a simple question given their fascination with the new medium of film did American novelists attempt to apply cinematic methods in their own writings From its very beginnings the cinema has played a special role in defining American culture Covering the period from the 1910s up to the Second World War Cinematic Fictions offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath* discussing major writers critical writings on film and active participation in film making Cinematic Fictions is also careful not to portray cinema as a single or stable entity Some novelists drew on silent film others looked to the Russian theorists for inspiration and yet others turned to continental film makers rather than to Hollywood Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium selectively pursuing strategies of montage limited point of view and scenic composition towards their different ends Contrasting a diverse range of cinematic and literary movements this will be compulsory reading for scholars of American literature and film *The Bitter Air of Exile* Simon Karlinsky, Alfred Appel Jr., 2023-11-15 This compelling volume explores the complex lives and creative achievements of Russian writers exiled during a turbulent half century following the Bolshevik Revolution From renowned figures like Ivan Bunin and Dmitry Merezhkovsky to emerging voices such as Nina Berberova and Boris Poplavsky the book illuminates the struggles and triumphs of literary figures forced to navigate their craft far from home Set against the backdrop of stringent Soviet censorship and Western indifference *The Bitter Air of Exile* details how these authors sustained a flourishing migr literary culture complete with journals publishing houses and intellectual discourse despite limited readership and pervasive hostility Through anecdotes of writers like Vladimir Nabokov and their tenuous reception in Western literary circles the work vividly portrays the isolation and resilience that defined migr creativity The collection further examines how migr literature often censored or dismissed in both Soviet and Western spheres remains a vital but underappreciated component of 20th century Russian literary heritage It highlights how themes of individuality mysticism and surrealism found expression in exile challenging the orthodoxies of Soviet culture By featuring both celebrated and obscure writers and spanning early migr efforts through mid century Cold War realities the book makes a compelling case for reevaluating the global importance of Russian literature in exile With its incisive critique of cultural prejudice and call to broaden the literary canon *The Bitter Air of Exile* is an essential resource for understanding the richness and complexity of Russian literary traditions outside the U S S R This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

F.Scott Fitzgerald'S Racial Angles and the Business of Literary Greatness M. Nowlin,2016-09-23 This book charts Fitzgerald s use of racial stereotypes to encode the dual nature of his literary ambition his desire to be on the one hand a popular American entertainer and on the other to make his mark in an elite international literary field Breaking Down Fitzgerald Helen M. Turner,2022-02-02 A practical guide to F Scott Fitzgerald s works for middle and secondary students F Scott Fitzgerald was an American novelist essayist and writer best known for his glamorous novels that detailed life in America s Jazz Age a term which he popularized Throughout his career Fitzgerald published four novels four collections of short stories and 164 short stories in magazines His work commonly focused on themes of ambition and loss money and class and the promise and disappointment of America and its vaunted dream In his lifetime Fitzgerald gained fame for his *The Great Gatsby* and *This Side of Paradise* Today his works are taught in middle and high school classrooms throughout the United States and worldwide *Breaking Down Fitzgerald* provides readers with an overview of Fitzgerald s life and investigates the composition characters themes symbols language and motifs in his work and their relation to contemporary society Author Helen Turner clarifies some essential facts about F Scott Fitzgerald s life and addresses important themes found in his novels and short stories As readers explore the literary and cultural context of Fitzgerald s works they develop a firm appreciation of Fitzgerald s role in modern literature and why he is considered one of the greatest American writers of the 20th century *Breaking Down Fitzgerald* Explains of why Fitzgerald remains one of the great American voices heard around the world Showcases the multiple genres in Fitzgerald s world Offers a brief thematic tour through Fitzgerald s novels and short stories Provides an overview of Fitzgerald s critical reception Discusses Fitzgerald in contemporary popular culture This book is a primer for younger or new Fitzgerald readers and a welcome addition to the toolbox used by educators parents and anyone interested in or studying F Scott Fitzgerald s life and work New World Coming Nathan Miller,2010-05-11 A vibrant fast paced exploration of the pivotal and dynamic 1920s era focusing on many of the colorful characters of the time and on three presidents Harding Coolidge and Hoover The images of the 1920s have been indelibly imprinted on the American imagination jazz bootleggers flappers talkies the Model T Ford Babe Ruth Charles Lindbergh s history making flight over the Atlantic But it was also the era of the hard won vote for women racial injustice censorship widespread social conflict and the birth of organized crime Chronicling what he views as the most consequential decade of the past century Nathan Miller an award winning journalist and five time Pulitzer nominee paints a vivid portrait of the 1920s focusing on the men and women who shaped that extraordinary time including ironically three of America s most conservative presidents Harding Coolidge and Hoover In the twenties the American people soared higher and fell lower than they ever had before As unprecedented economic prosperity and sweeping social change dazzled the public the sensibilities and restrictions of the nineteenth century vanished and many of the institutions ideas and preoccupations of our own age emerged With scandal sex and crime the lifeblood of the tabloids the contemporary culture of celebrity and sensationalism

took root and journalism became popular entertainment By discarding Victorian idealism and embracing twentieth century skepticism America became for the first time thoroughly modernized There is hardly a dimension of our present world from government to popular culture that doesn't trace its roots to the 1920s and few decades are more intriguing or significant today The first comprehensive view of the era since Only Yesterday Frederick Lewis Allen's 1931 classic New World Coming reveals this remarkable age from the vantage point of nearly a century later It's all here the images and the icons the celebrities and the legends in a book that will resonate with history readers 1920s aficionados and Americans everywhere

Margaret Sullivan Michael D. Rinella, 2019-08-12 In 1933 Margaret Sullivan made her film debut and was an overnight sensation For the next three decades she enchanted audiences and critics in any medium she chose film theater television and was regarded as one of the foremost dramatic actresses Off screen she epitomized the Southern Belle beauty hospitality and flirtatiousness Deep down she suffered from crippling insecurity especially as a mother a feeling exacerbated by progressive hearing loss By age 50 she could no longer cope and took an overdose of sleeping pills This biography covers her film career with insightful criticism from the period and details her personal life including her marriage to Henry Fonda her special friendship with James Stewart and her bitter rivalry with Katharine Hepburn **Camera Man** Dana Stevens, 2023-02-28 They were calling it the Twentieth Century She is a little animal surely He's my son and I'll break his neck any way I want to The locomotive of juveniles A little hell raising Huck Finn The boy who couldn't be damaged Make me laugh Keaton Speed mania in the kingdom of shadows Pancakes at Childs Comique Roscoe Broome Mabel at the wheel Famous players in famous plays Home made Rice shoes and real estate The shadow stage Battle scarred risibilities One for you one for me The darkie shuffle The collapsing facade Grief slipped in The road through the mountain Not a drinker a drunk Old times The coming thing in entertainment Coda Eleanor *F. Scott Fitzgerald* E. Ray Canterbury, Thomas D. Birch, 2006-03-20 F Scott Fitzgerald was an artist of extraordinary literary talent who tried to synthesize the ideas and events around him and give them personal expression And he was more than that He and Zelda were personal participants who defined and helped to shape much of what is American Their lives and American life are so intertwined that they seem impervious to an unwinding They defined the Jazz Age through self advertisements then Scott gave the epoch its name Americans generally were obsessed with clever advertising and easy money in a booming stock market But there is more much more Fitzgerald's life and novels continue to personify the great contradictions in American culture and in American capitalism Fitzgerald's novels especially The Beautiful and Damned The Great Gatsby and Tender is the Night can tell us about our past but just as much about the present and our future Notably Scott had originally set Gatsby in the Gilded Age an age of excesses similar to those of the 1920s Today the Casino Economy beginning in the early 1980s and becoming global has remarkable parallels to these earlier epochs Then the inevitable the crashes came A banking panic in 1907 ended the Gilded Age though not the gild the Crash of 1929 ended the Jazz Age though not all that jazz and the collapse of the

technology driven Nasdaq in 2001 brought an end to the most notorious players in the Casino Economy though not its legacy Zelda on the precipice at an earlier age than most supposed then or since crashed shortly after the stock market Although the public was unaware of Zelda's plunge only the Great Depression upstaged Scott's crack up As he dispassionately acknowledged his literary reputation had gone the way of the economy as had his earnings from the Saturday Evening Post that sustained his little family Though Scott's novels have long been on required reading lists around the world Fitzgerald and Zelda's cultural presence ebbs and flows There nonetheless was of course a first Fitzgerald Revival It came during the early 1950s being first literary but inevitably leading to a renewal of his cultural significance The Fitzgerald Revival now underway is if anything even more confounding because it follows some serious academic studies yet derives its inert velocity from the vibrant personalities of Zelda and Scott while its deeper significance once again is properly attributed to Scott

Reinventing Hollywood David Bordwell, 2017-10-02 Introduction the way Hollywood told it The frenzy of five fat years Interlude Spring 1940 lessons from our town *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *The Cambridge Companion to American Novelists* Timothy Parrish, 2013 This volume provides newly commissioned essays from leading scholars and critics on the social and cultural history of the novel in America It explores the work of the most influential American novelists of the past 200 years including Melville Twain James Wharton Cather Faulkner Ellison Pynchon and Morrison
