My Journey into the Trinity Emil Beck, 2011-06-23 Excitement of Triune truth is matched by excitement of telling about God's eternal evangelizing of me. God's pursuit makes the common such as the following become a base for exciting uncommon studies and results. Medora Junction between small town and campus promised changes. Shared moments of people watching with Dad from the drug store door step spoke of grandeur in persons. Defeated faces of two African American corporals haunted my social concerns. Mom's rocking chair rhythm of gospel singing rocked gospels into me. Boyhood railroad adventures helped recognize adventure in theological insight. Value of professional skill was seen in Dad behind the drug store prescription screen. A summer evening walk through Medora heard feet moving to varying rhythms of gospel singing. Church bells told of the sound of God's welcoming grace. Such common experiences support uncommon disciplined entertaining and exciting scholarship of professors who presented theology of the familial in history. Personal relational God-Father Son and Holy Spirit. Their mutuality unified the workings with the natural order that provided for my coming to be. Gave saving words and promises of Jesus Christ and through the Spirit sustained me in the present and the future. These three in perfect concert evangelized me. An exciting story to tell
