of Berkshire Hathaway lost 23 billion in personal wealth and he's called the Oracle of Omaha for his prophecy in stock picks. If someone like Buffet can whiff on the stock market, what hope do the rest of us have? How can we balance our financial lives and leave them less vulnerable to the volatile ups and downs of the stock market, pandemics, and the unforeseen swings and tosses of life? It takes many years to build a sound financial base to secure the basic needs and comfort of your family and yourself. When you reach a point where you are ready to start growing that nest egg to cover things like education, retirement, and your family's future well-being, you need to have more to go on than just the hope that the stock market stays stable. We all know it won't anyway. So what can you do to offset the risk and maximize the gain so that your hard-earned cash doesn't end up in someone else's pockets? In this insightful and practical book, you will discover how to rebalance your financial portfolio to spread risk and diversify wisely while still growing your capital at a good rate. The top investments to consider that are not stock market related. How to tap into the savviest investment avenues in some of the most unexpected ways. What to do to enjoy the benefits of a stampeding bull market without getting snagged by a grizzly bear market. How to double up on standard insurance options and turn them into a wealth-bearing asset. The difference between using traditional banking systems vs becoming your own personal bank and how that can work for you. Investment vehicles that never lose money and can only grow. How to take control of your savings, generate capital, earn good interest, and increase your cash flow using the personal bank concept as your overarching financial strategy. The untapped wealth and investment potential in the indexed universal life insurance (IUL) market. The Rule of 72 and how to quickly calculate the rate of return and compare one investment with another. The secrets of what works for many of the world's top investors and how they keep their assets growing following Buffet's simple investing strategy. And much more.
