going on in the culture wars as well as on the Internet and other new media Caught in the Crossfire argues that all of these changes and tn struggles including those involving the state of kids only make sense as integral parts of a larger transformation to define America s uniqueness and to develop its own sense of modern culture Part of the Cultural Politics and the Promise of Democracy Series “A” Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century S.
